Thursday 17th September 2020

Dear Parents / Carers,

This is a letter to inform you about the provision of PE for children whilst self-isolating. The School Games portal sets up weekly challenges for the children to practise and submit their scores. This is set up through our local School Games Organiser at Bishop Challoner Catholic School, and coordinated between many primary schools in the local area.

You can access this site here: **sgochallenge.com**, and **register as a student with invite code: bishop**. There is a new PE challenge each week that is easy to accomplish at home! You can log your scores weekly, with awards to be won.

It would be brilliant if our children at S.S. John and Monica's could engage with the challenges, especially as physical activity, health and wellbeing are of high importance in the current climate.

Class teachers will send reminders to parents to access the challenges via the Seesaw app.

Please note:

The portal will request permission to display your child's name and score on the leaderboard which is viewed by other schools, and to email you if your child has achieved an award. As a parent, it is your decision whether you agree to this. If you wish to enter your child's name, please only enter their first name.

In addition, the portal will ask if they can share this information on their website and social media channels. It is at your discretion whether you agree to this.

Kind regards,

Miss McEvoy

PE Lead
