## Home Learning and seesaw

Dear Parents,

Firstly a huge thank you to all of you who have managed to navigate the seesaw app to complete work and activities. So far in just three days, as a school, we have submitted over 1500 pieces of work, so we must praise all the hard work that has been taking place from all children (and parents). Please continue to share all the hard work your child has been completing at home. If your child has not yet accessed the work, I ask that you take the time to do so in the future.

Like you, we are also still learning how to develop the use of the app and how best we can continue learning at home. We understand that there is a function to edit pictures and screen display names. We politely request that these are not changed as this changes our records. If you have already done this then unfortunately any changes you have made have been reverted back to the original. If your child is accessing this app independently, please explain to them that they are not to change their icon picture or screen name.

We will continue to share work via the app whilst classes continue their isolation and once again thank the whole school community for support during this difficult time.

Many thanks

Mr Ullah
