Dear Parents and Carers,

As part of the RE curriculum, each class studies a different world religion. This helps pupils to develop an understanding of themselves and others, promoting their spiritual, moral, social and cultural development. This in turn contributes to society by increasing mutual respect between those of different religions.

In year 5, we learn about Hinduism. Normally, this would include a visit to a Mandir, Hindu temple but unfortunately that will not be possible this year. Instead, at the start of the Spring Term, we will be studying Hinduism in the following ways:

- A virtual tour of a Mandir, Hindu temple
- Researching the principal Hindu Gods
- Exploring Hindu artefacts and festivals
- Craft work related to Hinduism

We are looking forward to continuing to expand our knowledge and understanding of world religions and wanted to let you know how this will be done this year in the current circumstances. We will be sharing work that we have done with you through Seesaw.

Yours sincerely,

Miss McEvoy and Miss Hill
