

St Aidan's Catholic Academy 16 to 19 Tuition Fund Statement

Small Group Tuition Funding

The Department of Education announced funding to support students whose learning was disrupted as a result of the COVID pandemic. This 16-19 Tuition Fund is available to all 16 to 19 providers such as St Aidan's Catholic Academy and is ring-fenced for 16 to 19 small group tuition only.

The funding can be used to support individual and small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted. The guidance indicates that the supported students must be on a 16 to 19 study programme and who have not achieved grade 5 or above in GCSE maths and/or English by age 16. All will be on a 16 to 19 study programme.

The subjects covered in the tuition will not be limited to English and maths but will be identified according to need and existing programmes.

St Aidan's Catholic Academy commits to using the small group tuition funding that it has been given to mitigate against the impact of the pandemic on our study programme students. Sessions will be limited to five students per group and will be above and beyond normal timetabled hours. Students will be prioritised for small group tuition based on the guidance released by the Education and Skills Funding Agency (ESFA).

The full guidance can be accessed [here](#).

Support sessions will be prioritised for the following students:

- Those with an Education, Health and Care (EHC) Plan.
- Those who have a grade 4 or below in GCSE Maths and/or English.
- Those with special educational needs and disabilities (SEND), particularly where they have experienced additional disruption to learning as a result of their specific needs and disabilities.
- Some level 3 students on vocational courses who have not achieved a grade 5 & experienced disrupted learning.

Examples of some of the Tuition Support on offer will include:

- GCSE exam re-sit preparation
- Bespoke subject support/catch-up
- SEN student support sessions
- Provision of high-quality text/reading resource
- Provision of revision support material

Tuition Support offered will be based on individual needs, the identification of an individual starting point, clear learning goals, expectations, and outcomes. This may include a mix of both teaching and learning support staff as appropriate.

Our commitment

St Aidan's Catholic Academy is committed to ensuring the tuition fund is used in accordance with the Government's guidance on the 16 to 19 tuition funds by:

- producing this statement setting out how the fund will be used to support the most disadvantaged students.
- publishing this guidance on the St Aidan's Catholic Academy Website.
- recording the use of the fund, including references to individual students who receive support, the needs of those students, the number of hours of tuition delivered and retain the evidence of the tuition provided.
- deliver the extra tuition and spend the allocated funds in the academic year 2021-22.
- notify the Education Skills Funding Agency (ESFA) of any underspend from the Fund for it to be reclaimed.
