

SIXTH FORM FUNDING STATEMENT

The academy has invested additional sixth form funding, equating to £315, in support of post-16 groups with the purchase of visualisers. Maths and English Staff believe their subject delivery has improved with use this equipment during the covid-19 pandemic. Staff have been able to deliver live streamed, synchronous, remote learning to enhance provision and ensure continuity in learning and support.

The academy has also funded the entry fee for exam re-sits for 3 candidates undergoing the November series of Maths and English GCSE as well as providing additional support materials such as revision guides and learning resources.

Despite the challenges faced by all students last year the following was achieved:

Mathematics – 2 candidates - both increased their grade

English – 1 candidate - delayed
