

# St Aidan's Catholic Primary School

Portnalls Road, Coulsdon, Surrey CR5 3DE

Located in South Coulsdon, St Aidan's provides a rich learning environment for your son or daughter.

As a small one form entry school we believe that we know and value every one of our children.

Our excellent curriculum will prepare your child for secondary school through a balanced and broadly based education, from their first days in Reception to Year 6.

We believe in getting the basics right, expecting all our children to behave well and teaching the core subjects using a mixture of traditional teaching styles with the more modern approaches to learning. Coupled together with a strong work ethic and an enriching learning environment, we are confident that we can help each child to develop towards their full potential.

As a Catholic school, we place a central emphasis on the moral development of every child. We welcome applications from Catholic, Christian, and families of other faiths that are supportive of the ethos of our loving community, where God and the uniqueness of every individual is at the heart of everything that we do.

St Aidan's is a popular school of choice in Croydon for many families. Completion of the school's supplementary information form could increase the likelihood of your child gaining admission to Reception in September 2025.

Our friendly School Office is always happy to answer any questions you may have and to talk to you about your child's educational future. To learn more about Reception admissions or to add your child to our waiting lists in Years 1 to 6, please feel free to contact us.

**“Staff have created a nurturing and welcoming school environment where pupils are safe and happy.”**

**Ofsted Inspection Report 2024**

“Pupils are **enthusiastic to serve others** and are active in supporting a wide range of charities. They are **courteous and kind** and always look out for each other. Pupils know they have a part to play in making the school a **warm, happy and family community.**”

Diocesan Inspection Report 2022
