

PE

PE lessons will be on Thursday this half term. We will be looking at team games and developing our skills in throwing and catching. Please make sure that your child has their PE kit in school and that all piercings are removed or provide them with plasters to cover their ears.

Computing

We will be looking at programming using the programmes 'Kodable, Tynker and Hopscotch.'

PSHE

During the PSHE lessons, we will be learning about friendships and how to resolve issues.

Reading

Reading books: Your child will bring one decodable book home every Thursday. This will be the book they have worked on in their Reading Practice Sessions at school that week. These need to be returned on Mondays ready for the sessions in school that week.

Books We Know: Your child will bring home a book they know each week. They will have read these books at school so sit back and enjoy them telling you a story. It will be their responsibility to look after it and they must remember to bring it to school each Monday in order to exchange it for a new book.

Homework

Spellings will be sent home on a **Friday** to be learnt ready for the spelling test the following week. Maths homework will also be sent home as this will support number bonds and timetables. Please return homework by Wednesday.

Uniform

We have high standards at St. Aidan's and expect our pupils to ALWAYS be prepared for lessons and the school day ahead. Therefore, we expect the children to wear full uniform including their ALWAYS badge and have their book bag and PE kit in school everyday.

Autumn 2

Year 2

Year 2 teacher:
Miss. Yates

Year 2 teaching assistants:
Mrs. Brownlie
Mrs. Power

To arrange an after school appointment please ring the office on:

01254 53148

Maths

The maths topics we will cover are:

- Addition and subtraction.
- Money including pounds and pence. We will find different amounts, change and different ways to make amounts.
- We will begin to look at multiplication and division.

English

We will be writing for different purposes including non-fiction texts and poetry, Through re-telling and innovating.

This half term we will be reading 'Fantastic Mr Fox'. We will examine the characters and the vocabulary used to inform our writing.

Geography

This half term we will be looking at the continents and oceans of the world. We will be using maps and globe as well as on line resources to support our understanding. We will be able to explain where we live.

Science

In science our topic is, 'Animals including Humans'. We will continue to look at the growth and development stages of animals and humans. As well as diets, the different food groups and how exercise can impact our bodies.

RE

We will be exploring the Christmas story and the journey of Mary and Joseph to Bethlehem.
