Head Lice

These cause much frustration amongst parents. Every school in the country has to constantly contend with this menace. **To try and control the spread of head lice our policy is to contact parents of children who are seen to have head lice so that they can be collected, treated and returned to school. In most cases a child can return to school the same day.** Please remember, if head lice are found then it is important to check every family member in the household and to check again a week later. Please note that **we will authorise a maximum of half a day's absence for head lice to be treated.** Thank you for your support in this.
