

PE

Our PE lessons will be on Tuesday. This half term we will be carrying on with dance. Please ensure your child has their P.E kit in school each week. We will also go swimming on a Wednesday morning

Computing

This half term we will be learning about e-safety which enables us to use the internet safely.

PSHE

In PSHE we will be covering a unit on 'making choices'. We will be thinking about different types of drugs and how they can affect our bodies.

Reading

This term we will continue to read a variety of fiction and non-fiction texts through guided reading sessions. We are trying hard to improve our skills of inference. Our class novel is 'James and the Giant Peach'.

Homework

will be tested each week. Children have been given a password and user name for 'Times Table Rockstars' and will be expected to practise each week. Children are also expected to read with an adult at home 3 times a week.

Uniform

We have high standards at St. Aidan's and expect our pupils to ALWAYS be prepared for lessons and the school day ahead. Therefore, we expect the children to wear full uniform including their ALWAYS badge and have their book bag and reading book every day.

Autumn 2

Year 4

Year 4 teacher:
Miss Hunt
Teaching assistant:
Mrs Daly

Miss Holden

To arrange an after school appointment please ring the office on:

01254 53148

Maths

In mathematics we will be deepening our understanding of addition and subtraction and how we can use this knowledge in our reasoning abilities. We will then move on to written multiplication and division. We will first explore by using equipment and then moving on to using written calculations. We are particularly trying to improve our times tables knowledge. Please encourage your child to practice on times table

English

We will be improving our grammar, spelling and punctuation daily and across the curriculum. We will also be developing our writing through a novel called 'How To Train Your Dragon'. We will use this story to develop both our fiction and non-fiction writing.

Science

In science we are looking at sound. We will be carrying out different investigations to find out how what sound is and how we can change sound.

Geography

This half term we are geographers. We will be studying mountains, earth quakes and volcanoes. We will understand how mountains and volcanoes form as well as how earthquakes happen. Then we will think about how they impact the daily lives of the people who live near them.

R.E

In R.E we will be thinking about 'light'. We will be discussing how light and dark make us feel. We will then think about who brings light into our lives.
