

St Andrew's Academy Family Update Newsletter

Summer Term 2

26th June 2026

Headteacher's Welcome

It's hard to wrap up our week without referencing the unprecedented weather we have been experiencing. The staff have gone above and beyond to implement every possible option to make the pupils more comfortable and able to take value from the school day. The level of care and attention to individual needs has been stunning. To you, as families, I owe a huge thank you. Your support and collaboration to ensure the right pathway through this week for your young person has been universally brilliant. Finally, to the real stars of the show- our pupils! Enabling our young people to effectively communicate their needs and wants does, and always will, form the bedrock of our practice. Whilst it has been warm in some lessons across the day, our young people have showcased their communication skills to navigate the conditions independently and with confidence.

If you have any feedback, positive or constrictive, with regards to our pathway through this week, please do reach out.

David Braybrooke - Headteacher

- meeting friends and socialising, reducing social isolation during school holidays
- have a healthy and nutritious meal
- take part in physical and creative activities
- build greater knowledge of health and nutrition.

This particular HAF club will be for St Andrews students only, those who currently receive free school meals

St Andrews staff will be running the club throughout the Summer holidays; specific staff members will be confirmed in due course and a welcome pack issued to families with names and photos of staff working with their young person.

WHERE IS THE HAF CLUB?

The club will be delivered on the main school site as this allows access to facilities such as food technology room, sensory spaces and the playground. Students may attend activities off site during the day; this will be communicated directly with parents/carers.

KS3

Wow, what an amazing day Barra class had at the Zoo last week! All of the students thoroughly enjoyed their visit and were excited to see a variety of animals. Throughout the day, they explored different habitats and observed the animals. It was wonderful to see so many smiles, laughter, and positive interactions with each other

The Glens

Over the last few weeks, Mull Class has enjoyed lots of exciting learning experiences both inside and outside the classroom.

We have spent plenty of time outdoors last week, making the most of the good weather while developing our physical skills and exploring the world around us. During PE lessons, we practised our throwing and catching skills, working hard to improve our coordination, teamwork, and confidence.

In class, we have been developing our fine motor skills through a range of fun and engaging activities. We have also been practising our writing skills, showing great effort and enthusiasm as we continue to build our confidence as learners.

One of our favourite activities was baking some delicious cakes! The children enjoyed following instructions, measuring ingredients, mixing, and of course tasting the finished results. This provided a wonderful opportunity to develop life skills while having lots of fun.

As part of our learning, we explored the concept of time by looking at the differences between day and night.

We have also been thinking about making positive choices. The children enjoyed learning about their likes and dislikes and learning about healthy and unhealthy foods. Through these activities, we developed a better understanding of how making healthy choices can help us look after our bodies and minds.

We are very proud of all the hard work, enthusiasm, and progress shown by everyone in Mull Class and look forward to more exciting learning adventures ahead!

KS4

Canna Class have been really busy in Food Tech where they have been building on their kitchen and food preparation skills. This week they chose what they wanted for lunch and opted for tortilla pizza wraps. They each chose their own toppings and prepared their own lunch. Adding salad and seasoned fries. The Vegetarian ham and cheese was very popular!

Canna Class Ice Creams

Canna class are selling Ice creams as part of their Maths topic.

You can order one for your child on the school website under the 'shop' tab at the top of the page. They are 3 tokens each.

A great treat in this hot weather!

The Highlands

Last Thursday, Jura class hosted their weekly 'Clair's Cafe' event, in which students from other classes come over to visit, snack and socialise with Jura's students! They enjoyed choosing their morning snacks in the warm weather and spent lots of time in the outdoor courtyard on the swing and the grassy area having lots of fun in the sun! Students did some great choosing and were super sensible with the visiting students. Well done Jura!

Campus

We have had a busy week at campus, welcoming in a range of different visitors from other schools within the Shaw Education Trust to showcase our Whitaker Road provision and engage in discussions around continuing to improve the FE provision and availability of options for the wider SEND community. The students were incredibly welcoming with the visitors, and everyone commented on how polite and engaging they are!

In addition to this, we have also had 2 assemblies from two post 19 providers - Derby College and Caring Places - explaining what they can offer the students after they leave St Andrew's Academy. Students were very attentive and asked some great questions about what these provisions look like.

Students are excited for our end of term trip to Drayton Manor next week and we look forward to a fun filled end to the academic year!

Therapy Input

At St Andrews we are lucky enough to have an immersive sensory room in the therapy area. Some students enjoy engaging in the hand eye co-ordination programs which helps towards focus, curiosity, core strength, spatial awareness and gross motor skills.

The room is also used for emotional regulation, when students are struggling to process their environments. The room offers gentle lighting and calm surroundings which can help towards lowering anxiety and promote self or co-regulation.

COMMUNITY FUND

Community Short Breaks

Community Short Breaks Service Consultation

Community Short Breaks are designed for children and young people aged 0–17 with Special Educational Needs and Disabilities (SEND) who require additional support to participate in activities. Providers deliver targeted* services by organising inclusive activities and offering the necessary support to enable participation. These activities may take place after school, at weekends, or during school holidays.

In addition to supporting children and young people, Community Short Breaks provide valuable respite for families by giving parents and carers time away from their caring responsibilities.

*Targeted services are intended for children and young people who may require additional support and, in some cases, an assessment of need to access provision.

Public Consultation

Derby City Council launched a public consultation on the Community Short Breaks Service on **21 May 2026**. The consultation will run for 90 days and will close at midnight on **19 August 2026**.

As part of an ongoing review of the service, Derby City Council is proposing several potential changes. We are seeking feedback from parents and carers, children and young people, and service providers. Your views will help us better understand both the potential impact of the proposed changes and perspectives on the current Community Short Breaks offer.

The consultation will include:

- Face-to-face focus groups (further details will be shared shortly)
- Surveys for parents and carers, children and young people, and providers

We are keen to engage with as many individuals as possible and would greatly appreciate your support in sharing the survey link widely across your networks.

Thank you in advance for your assistance.

Mileage Allowance and Post -16 Personal Travel Budgets Update:

The summer term payment is due to be paid to parents during Easter 2026. Email requests for attendance data have already been sent to schools. Due to the way Easter falls and the Council's financial closedown, please provide the attendance data for the spring term by no later than 11 March 2026.

Detentions:

We have had some recent experience of students who are on Council Organised Transport receiving after school detentions. If school is giving this sanction, they must contact the transport provider and cancel the transport as the crews cannot wait until the detention is over. The responsibility for collecting a child following after school detention is with the parent/carer.
