

St Andrew's Academy Family Update Newsletter

Summer Term

23rd July 2026

Headteacher's Welcome

There's always a pause for reflection after 190 school days in the academic year, but this year holds both a poignant significance for me personally and six of my treasured colleagues. After 9 years and two terms, it is time for me to pass on the Headship to Suzanne Walters from September 2026. The only reason I'm moving on is to be closer to my family within my new role. It has been an honour to serve the community for nearly a decade in the role of Deputy, Head of school and Head Teacher. I have had the pleasure to serve alongside the most stunning professionals who I was fortunate enough to call colleagues, selflessly and tirelessly working towards our shared goal of excellence for all. I leave the school knowing that those welcoming you back in September are some of the finest SEND professionals in our sector.

The real spotlight, and from where I draw the most strength and pride, belongs to each and every pupil who has moved through St Andrew's during my time here. I have treasured memories for life and have witnessed some of the most stunning achievements that no one ever thought possible. It's an overstated response when people find out you work with young people with additional needs "Isn't that rewarding," however, I'll never get tired of hearing that because it really is the most rewarding and life affirming profession that anyone can have the privilege to engage with.

Out of admiration and respect, I want to share the moment with those members of staff who are moving on.

Fiona Skinner- Starting St Andrew's in September 1983, Fiona is our longest serving member of staff. For over 4 decades, Fiona has flawlessly served our school community in the role of Teaching Assistant and High-Level Teaching Assistant. Her experience, knowledge and skill set is irreplaceable and as Fiona moves into retirement, it's impossible to underestimate the positive impact that she has had on hundreds, if not thousands of young people. We've been conscious of Fiona's impending retirement and have strategically teamed her up with early career teachers for the last 5 years in order to leverage her outstanding ability to provide the very best for all she works with. A huge thank you for devoting your life to our community, you're a very special lady and you will be truly missed.

Jess Page - Starting at St Andrew's Academy in September 2014, Jess has tirelessly championed some of our most dependent young people for 12 years in the role of Teaching Assistant. Jess's sincere approach to enabling the young people to be the best they can be is a genuine joy to witness and she will be missed by staff and pupils alike. We wish her well as she faces a new chapter running a family guest house in Blackpool.

Charlotte Matchett - Starting at St Andrew's Academy in September 2020, Charlotte moved over from another Trust school called Saxon Hill with a depth of knowledge and skills to enrich our delivery in the role of Teaching Assistant. I'm pleased to share that those skills are not leaving the Trust or Derby with Charlotte taking up a position at Ivy House School who are also a SET school. Charlotte goes with our sincere appreciation.

Elizabeth Pacey - Starting at St Andrew's Academy in September 2021 for her first year in Teaching, Lizzie has grown into an exceptional SEND practitioner, adding huge value to the learning journeys of all of those who were fortunate to be taught by her. Again, it's my pleasure to share that those skills are not leaving the Trust or Derby as Lizzie has secured a teaching position at St Martins School. Lizzie goes with our sincere best wishes.

Harriet Blacker - Starting at St Andrew's Academy in September 2023 in the role of Teaching Assistant, Harriet quickly progressed through her career, delivering learning to our young people as an Unqualified Teacher this year. Harriet is considering her career options and next steps, but should she remain in SEND education then the profession will be all the better. We wish her well in her next chapter.

Iylla Howes - Starting at St Andrew's Academy in June 2025 in the role of Teaching Assistant, Iylla quickly built-up great relationships with all staff and pupils and served the needs of our school with skill and care. A powerful advocate of the needs of the young people, Iylla goes with our sincere thanks and best wishes.

To you, the reader of this newsletter, I thank you for your collaboration and support as we navigate a challenging national landscape of SEND reform, financial change and evolving criteria to demonstrate excellence. I've always been steadfast in my mission to champion and deliver for the needs of the young people on the back of your feedback, advocacy and kindness.

I wish you all continued success and brilliance in September and beyond.

Preparing for the Summer Holidays

Preparing for the Summer Holidays

The summer holidays are fast approaching, and while this can be an exciting time for many families, we understand that it can also bring challenges for some children, particularly those with Special Educational Needs (SEN).

Many children with SEN thrive on routine, structure, and predictability. School provides a familiar environment and daily schedule that helps them feel safe and secure. A long break from this routine can sometimes lead to feelings of uncertainty, anxiety, or difficulty adjusting to the changes that the summer holidays bring.

As parents and carers, we recognise that this transition can be challenging not only for children but for families too. Every child experiences change differently, and what works for one child may not work for another.

To help make the transition as smooth as possible, we have put together a guide containing practical ideas, helpful strategies, and tips that may support your child in preparing for the end of the school term, managing the summer break, and settling back into school when the new term begins.

We hope these suggestions provide reassurance and support during the holiday period, helping your child feel more confident and comfortable with the changes ahead.

KS3

This week for Barra's final week of term, the young people had a chance to visit their new classes on transition day to see their new class and their new classmates too. Later in the week we had our sports day, which made for a great chance to have some fun and highlight some of our learners and their love for sport. We enjoyed relay races, throwing, table cricket and basketball, in a jam-packed day where our learners had tons of fun. Well done Barra!

The Glens

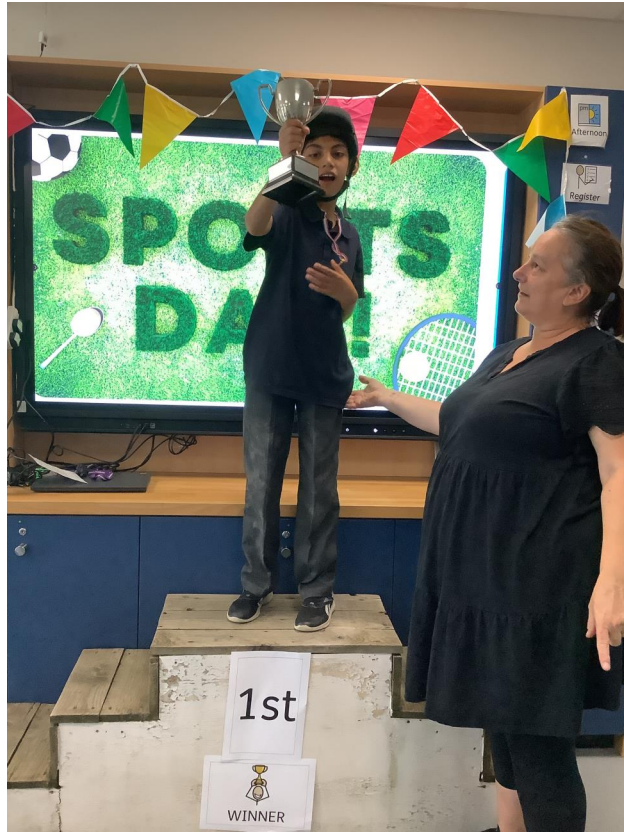

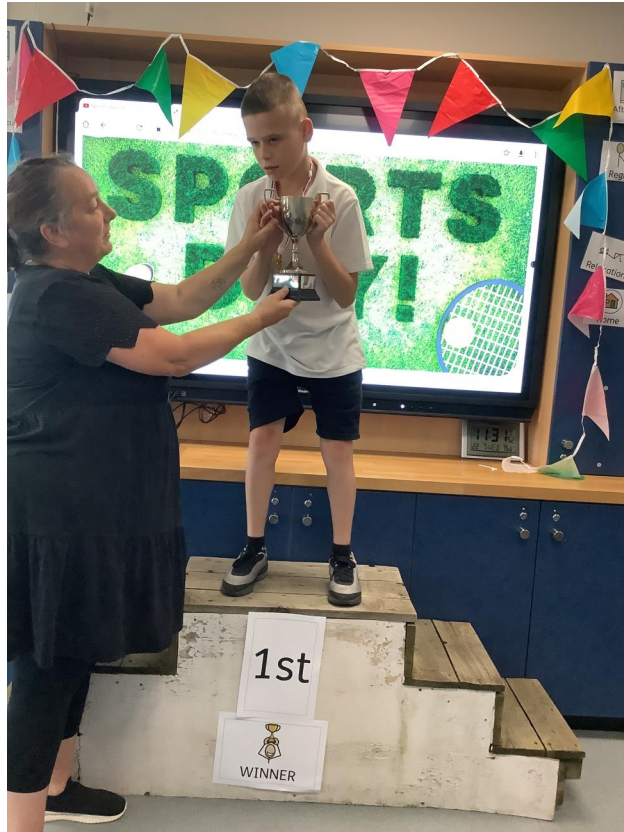

In the past few weeks Skye class have enjoyed the beautiful sunshine. To cool ourselves down in the heat, we filled tuff trays with water, chilled out on the basket swing, and wore our sunglasses. Yesterday we had Sports Day. Each student ran the obstacle course, completed the egg and spoon race as well as throwing a ball in to a basket. Everyone was a Winner! Well Done Skye class! We've had a brilliant year! :)

The Highlands

This week has been lots of fun in the sun. Students enjoyed a beach party at school. They played in the sand and enjoyed some water fun. Students also enjoyed a chip shop lunch and a visit to

our pop-up ice cream van. We would also like to say a big 'congratulations!' to our awarded winners.

Campus

It has been a busy last few weeks at Campus with a number of different events taking place. Last week, we hosted our Graduation celebration, giving the year 14 students a fantastic send off to recognise their journey through school. It was an emotional day with many of the students having been at St Andrew's since year 7! We had a lovely awards ceremony followed by a disco and it was great to see the students having such a fun time. We wish all of the year 14's the very best for the future.

This week we hosted the year 11 students who will be moving up to Whitaker Road in September. It was lovely to welcome so many new faces and we are looking forward to seeing what the new academic year brings.

On Tuesday, all of the FE students travelled over to the Community Hub on Fieldsway Drive to have a BBQ with the KS4 students and then this was followed by a meal at Hickory's Smokehouse on Wednesday to celebrate the end of a year long supported internship for 2 of our students.

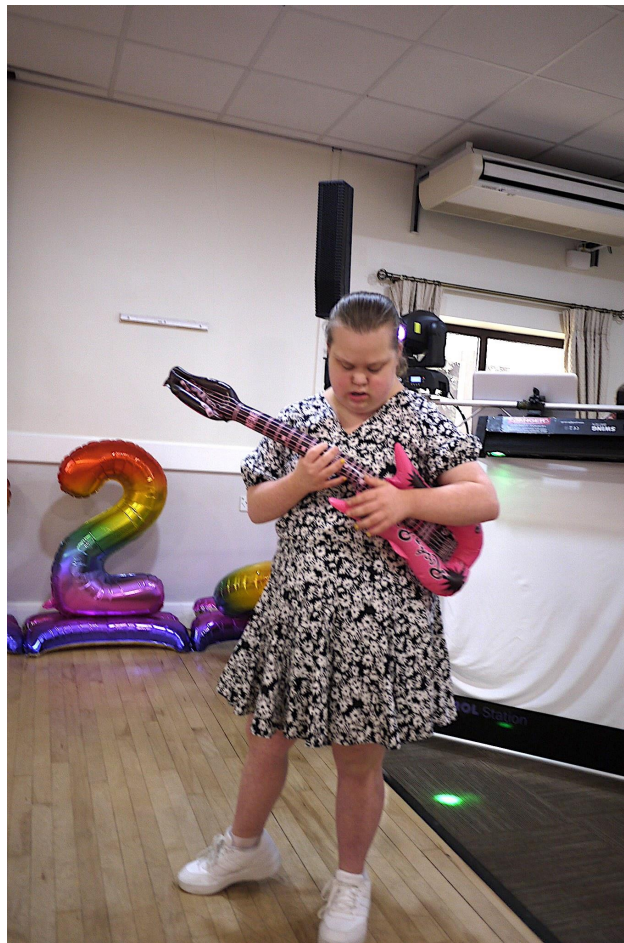

We would like to say a huge thank you to everyone who has kindly given a gift to the staff team. The team works incredibly hard and your generosity and positive wishes are all really

appreciated. We hope you have a fantastic summer break and look forward to seeing everyone in September!

Therapy Input

Well, what a fantastic year we have had in the Therapy Room!

Our students have engaged in a wide range of therapeutic programmes, including dressing programmes, tactile desensitisation, feeding groups, gross and fine motor sessions, hand-strengthening activities, and the implementation of their individual sensory diets.

It has been wonderful to see the progress made throughout the year. We have seen significant improvements in the classroom through co-regulation strategies and by supporting students to work towards their EHCP targets. Whether developing fine motor skills, gross motor skills, independence in daily tasks, or recognising when they need to regulate themselves, every achievement has been worth celebrating.

Have a well-deserved summer break, and we look forward to seeing you all in September for another fantastic year! 🌟

Community Short Breaks

Community Short Breaks Service Consultation

Community Short Breaks are designed for children and young people aged 0–17 with Special Educational Needs and Disabilities (SEND) who require additional support to participate in activities. Providers deliver targeted* services by organising inclusive activities and offering the necessary support to enable participation. These activities may take place after school, at weekends, or during school holidays.

In addition to supporting children and young people, Community Short Breaks provide valuable respite for families by giving parents and carers time away from their caring responsibilities.

*Targeted services are intended for children and young people who may require additional support and, in some cases, an assessment of need to access provision.

Public Consultation

Derby City Council launched a public consultation on the Community Short Breaks Service on **21 May 2026**. The consultation will run for 90 days and will close at midnight on **19 August 2026**.

As part of an ongoing review of the service, Derby City Council is proposing several potential changes. We are seeking feedback from parents and carers, children and young people, and service providers. Your views will help us better understand both the potential impact of the proposed changes and perspectives on the current Community Short Breaks offer.

The consultation will include:

- Face-to-face focus groups (further details will be shared shortly)
- Surveys for parents and carers, children and young people, and providers

We are keen to engage with as many individuals as possible and would greatly appreciate your support in sharing the survey link widely across your networks.

Thank you in advance for your assistance.

Mileage Allowance and Post -16 Personal Travel Budgets Update:

The summer term payment is due to be paid to parents during Easter 2026. Email requests for attendance data have already been sent to schools. Due to the way Easter falls and the Council's financial closedown, please provide the attendance data for the spring term by no later than 11 March 2026.

Detentions:

We have had some recent experience of students who are on Council Organised Transport receiving after school detentions. If school is giving this sanction, they must contact the transport provider and cancel the transport as the crews cannot wait until the detention is over. The responsibility for collecting a child following after school detention is with the parent/carer.
