Learning Together, Achieving Together

Friday 14th July 2023

Head Teacher's Welcome

The penultimate Friday marks a very special day in the calendar of St Andrew's! Today we have celebrated the significant achievements and success of our Yr14 leavers. It is incredibly humbling to hear the stories of progression, learning and lifelong friendships made during their journey at St Andrew's. All of our young people are going on to ambitious and aspirational next steps with the skills and confidence they have developed over the last 7 years. We wish all of young people the very best in the endeavours and offer an open door for a passing hello or any ongoing support possible.

Have a restful weekend,

Lunchtime Cookery Club

For the past 4 weeks, Henry, Daniel and Henry have attended the lunchtime cookery club.

Each week, the students have enjoyed creating delicious dishes such as tomato and basil pasta bake, flapjacks, pizza and cheese and potato bake.

Well done guys—see you on Masterchef soon!

Lea Green

We are delighted to share the incredible accomplishments of our Year 7-9 students on the recent residential trip to Lea Green. They participated in activities like stream walking, skyline, orienteering, and bushcraft, demonstrating problem-solving, teamwork, creative thinking, and resilience. We are immensely proud of their achievements!

Our students truly embraced the challenges and thrived in these activities. Their growth and achievements during the trip make us proud as educators. We applaud their hard work, dedication, and the valuable life skills they have developed.

Congratulations to all our students for their outstanding performance during the Lea Green residential trip!

Theatre Trip

On Thursday, 11 students embarked on a journey to Manchester to see Charlie and the Chocolate Factory in the theatre. This included 4 train journeys, including 2 changes and was an amazing opportunity for all!

A massive thank you to Charles for supporting on the day.

Athletics Event

Loughborough University are holding another amazing athletics event, which they have asked us to make parents and carers aware of, should you and your family wish to watch.
