Head Teacher's Welcome

Wow- what an exceptional year for our school community. The young people at St Andrew's have excelled this year and we are very proud of the successful learning journey they have all completed. From the pupil progress data and information we have, we can see that we have successfully closed the gap of the progress caused by the legacy of the school closures during COVID-19. It's clear our broad and balanced curriculum offer that is enriched with independent living skills and off site learning opportunities has been enjoyed by all and has helped us to deliver exceptional outcomes.

There is evidence of the thirst for knowledge and love of learning which makes St Andrew's a very special place to be. A sincere thanks and bright spotlight on the passion and commitment shown by our wonderful staff team. St Andrew's is far more than a job to all who contribute to the education, care and progress of our young people. We're privileged to have such a creative, positive and dedicated staff team that approach their role with such passion and enthusiasm.

A personal thanks from myself to you as parents/ carers and the wider school community. I was appointed as substantive Head at the end of September. Since arriving at St Andrew's in January 2017, I quickly understood what a remarkable school community we had. It really has been my honour to start my Head Teacher career with such progressive and committed families who share our goal of the very best outcomes for all.

School will be closed for INSET on the 4th, 5th & 6th. We are very much looking forward to welcoming you back to school to kick start 2023/24 on Thursday 7th September.

Have a wonderful Summer,

David Braybrooke
