Learning Together, Achieving Together

Friday 5th May 2023

Head Teacher's Welcome

Wow! What an incredible end to a fantastic week!

Our Coronation celebrations have been nothing short of epic! Street parties, non-uniform, singing and learning about the Coronation has enriched our day and it's clear that the pupils today took a lot of value and enjoyment away.

Some of our KS5 cohort celebrated the Coronation whilst on an exciting residential at Shining Cliff woods. They have enjoyed the outdoors, as well as all of the fun and life skills to be found at Matlock Bath. It's clear that staff and students are working hard to utilise the benefits of the Summer term and build strong outcomes for all.

Have a wonderful bank holiday weekend,

**David Braybrooke

Derventio Cycling Club Supporting St Andrew's

Derventio cycling club took the St Andrew's fundraiser to Spain and back! The club honoured member Kevin Tranter by flying our flag over 300 miles in five days. This continual support is hugely appreciated. Kevin was a huge supporter of our students and supported us in giving our students opportunities to broaden their experiences. He was passionate about supporting the Duke of Edinburgh award at St Andrew's school and his club have continued this in his memory.

What an amazing achievement!

Coronation party!

To celebrate the coronation, staff and students joined together for our party! The rain didn't stop the fun with classes joining together and having an indoor picnic.

Students became royals with their own crowns, created bunting and some learning the national anthem!

Have a lovely bank holiday weekend and enjoy history in the making—God save the King!

Congratulations St Andrew's Academy!

Following the success of our wonderful whole school Science week display, the display was entered into the SET Science week competition. We are really delighted that our display won the Special School Category, receiving a £50 voucher to spend across the school.

Thank you to everyone involved in the process, it truly was a whole school effort - but special thanks to Ed for his patience, dedication and commitment in the construction of this masterpiece!
