

## TOPIC

In Geography, Maple will seek to answer the question: 'what is the weather like in the United Kingdom?'

## ART/DT

Maple will be exploring sculptures and 3D art through paper play. We will develop our skills in creating 3D structures and applying painting skills in three-dimensional art, enhancing their understanding of form and construction.

## COMPUTING

In computing, the children will explore data and information, specifically grouping data through theory and practical use of equipment.

## PSHE

Our PSHE topic for this term focuses on economic well being where we will learn ways adults get money, the role of bank account cards and recognise the difference between a want and a need.

## ENGLISH

This term, Maple are exploring Kate in London by James Mayhew for our narrative. For our non-narrative, we will be creating a guide to London for Paddington Bear. The half-term will finish with our poetry unit called The Magic Wand.

## MATHS

We are continuing to deepen our learning of place value, learning the number system up to 50! We will then continue onto length and height followed by mass and volume. Reception will continue their learning with mastering number to increase fluency, flexibility and confidence with numbers and calculations.

## RE

In RE, Maple will explore Salvation within the Big Frieze to ultimately answer the question: 'Why does Easter matter to Christians?'

# MAPLE *Spring Two* CURRICULUM OVERVIEW

## SCIENCE

In science, we are exploring the uses of everyday materials. We will be comparing the suitability of materials by carrying out tests and recording data.

## MUSIC

This term, Maple will explore dynamics with the theme: seaside! We will make links between music, sounds and environments and use percussion, vocal and body sounds to represent calm or stormy seas.

## PE

In PE, Maple will be learning all about team building and fitness.

## WIDER CURRICULUM

For our wider curriculum learning, Maple will take part in an Easter Egg hunt!
