

TOPIC

In History, Maple will seek to answer the question: 'how am I making history?' We will order three photographs correctly on a timeline, use the terms 'before' and 'after' when discussing their timelines and talk about memories.

ART/DT

Maple will be exploring stable structures in DT this half-term. We will be exploring the stability of structures and making a stable pencil pot for a specific user.

COMPUTING

In computing, the children will explore creating media, specifically digital writing through theory and practical use of equipment.

PSHE

Our PSHE topic for this term focuses on safety and the changing body. We will learn how the internet can be used to help us, what a secret is and what a surprise is and understand how to keep safe near roads.

ENGLISH

This term, Maple are exploring the classic tale of Pinocchio for our narrative. For our non-narrative, we are learning and writing on the life cycle of a sunflower.

MAPLE

Summer One

CURRICULUM OVERVIEW

MATHS

This half-term will commence with our multiplication and division unit. Following this, we will continue onto our fractions unit followed by position and direction. Reception will continue their learning with mastering number to increase fluency, flexibility and confidence with numbers and calculations.

RE

In RE, Maple will explore Gospel within the Big Frieze to ultimately answer the question: 'what is the Good News that Jesus brings?'

SCIENCE

In science, we are exploring living things, specifically microhabitats! We will be asking questions about minibeasts and use scientific enquiry methods to find answers.

MUSIC

This term, Maple will explore structure with the theme: myths and legends! We will be developing an understanding of structure by exploring and ordering rhythms.

PE

In PE, Maple will be learning all about sending and receiving and net and wall!

WIDER CURRICULUM

For our wider curriculum learning, Maple will visit Conkers!
