Growing and Flourishing at St Andrews and Mary Howard: A Joyful Start to the New Year

As the new year begins, St Andrews and Mary Howard schools are proud to celebrate their journey of growing and flourishing—a journey inspired by their shared vision of nurturing every child to thrive as healthy, fulfilled individuals passionate about life and learning.

The year kicked off with a spectacular highlight as our children took to the stage at the BP Pulse Live area for Young Voices. Performing alongside a live band and conductor, our pupils joined over 5,000 children in a breathtaking arena filled with music and energy. The atmosphere was electric, and our children shone brightly with their enthusiasm and exemplary behaviour, making the event an unforgettable experience for all involved.

Back in the classroom and beyond, our Oak class children have been developing essential life skills through their Level 1 and Level 2 Bikeability courses. These sessions are

equipping them with the knowledge and confidence to stay safe on the roads and while cycling, reflecting our commitment to their personal development and well-being.

Looking ahead, we have a wonderful term planned, full of enriching experiences designed to help our children grow academically, socially, and emotionally. Our aim is to nurture well-rounded individuals who not only excel in their studies but also enjoy a rich and joyful life.

We warmly invite families seeking a small, family-oriented school with intimate class sizes to come and see us in action. At St Andrews and Mary Howard, every child is valued, cherished, and supported to grow and flourish—just like the mustard seed in our school's inspiring vision.

For more information or to arrange a visit, please contact our school office. We look forward to welcoming you to our Mease family.

Warm regards,
Rachel Mills
Executive, Mary Howard Primary and St. Andrews School
