

St Andrews Primary, Clifton Campville & Mary Howard Primary, Edingale

As we reflect on the Spring term, I am filled with pride and gratitude for the enriching experiences that our children at Mary Howard and St. Andrews have enjoyed. Our schools have been bustling with activities that not only enhance learning but also foster a sense of community and belonging.

Special Celebrations- This term, we celebrated our special Mother's Day service, which was a heartfelt occasion that brought families together. The Mother's Day lunches were a delightful way for our children to express their love and appreciation for their mothers and caregivers. These events exemplify our commitment to nurturing relationships within our school community. Culminating in our Easter services, our children in Class 3 took the lead in writing and directing the celebrations. Their creativity and enthusiasm were truly inspiring, showcasing their ability to engage with important traditions in meaningful ways.

Embracing Sporting Opportunities- Sporting events have been a highlight this term, with our children actively participating in a variety of activities. From Bikeability sessions that promote safety and confidence on the road to an exciting football week, our students have demonstrated their teamwork and sportsmanship. The Swimming Gala finals at Tamworth Snowdome were a fantastic opportunity for our young swimmers to shine and show off their skills.

A Special Visit- At St. Andrews, we were honoured to be a stop on Bishop Michael's pilgrimage across the Diocese. His visit was a memorable occasion for our school community, and we were thrilled to have him add his handprint to our Koinonia tree. This gesture symbolises

our shared values and commitment to growth and flourishing in faith and community.

Community Support- Our Parent-Teacher Associations (PTFAs) have been working tirelessly to raise funds that enrich the lives of our children. Their efforts are instrumental in enhancing our outdoor learning spaces, providing our children with the opportunity to explore and learn in nature. We are incredibly grateful for their dedication and support.

A Nurturing Environment- Visitors to our schools often comment on the calm and nurturing environment we have cultivated. We take great pride in creating a family-oriented atmosphere where every child feels valued and supported. It is this environment that allows our children to flourish and reach their full potential.

As we move forward, we remain committed to our vision of helping every child grow and flourish. Together, we are making a difference in the lives of our children.

Warm regards,

Rachel Mills
