Growing and Flourishing at St Andrews and Mary Howard

Dear Mease Valley families

It has been a busy and joyful month at St Andrew's and Mary Howard. Our children have taken part in a wonderful range of experiences that help them grow in confidence, curiosity and kindness.

All of our Key Stage 2 children have been practising and improving a range of swimming strokes. We have also continued our ukulele lessons with a professional music teacher for the second year running-developing musical skills, confidence and a real sense of achievement.

Our fabulous Harvest Festivals brought our school communities together in celebration and gratitude. The children also showed what it means to be courageous advocates for positive change when they travelled by minibus to

Tamworth Foodbank. They enjoyed a tour and learned about the important support it provides to local people.

History came alive through workshops exploring what schools and toys were like in the past. In November, we will join our local communities in creating a magnificent village poppy display, remembering those who have served and marking Armistice Day.

We are proud of all our children and the many ways they live out our values of koinonia, wisdom, love and perseverance. Mary Howard and St Andrew's are friendly, nurturing and amazing places for children to grow and flourish. Please come and see for yourselves!

With best wishes,

Rachel Mills

Executive Headteacher

St Andrew's and Mary Howard (The Mease Federation)
