

St Andrews Primary, Clifton Campville & Mary Howard Primary, Edingale

At Mary Howard and St. Andrews Schools, we are thrilled to share the incredible achievements and joyful experiences that have unfolded this term. Our commitment to nurturing a love for learning and fostering a vibrant school community has never been stronger. Here are some highlights that showcase the wonderful things happening in our schools.

This year's World Book Day was a resounding success! Our children embraced the joy of reading by dressing as their favourite book characters, sharing stories, and participating in engaging book-themed activities. The enthusiasm for literature was palpable, and it was heartwarming to see our pupils excited about reading and storytelling.

We are excited to announce that we now have six balance bikes and helmets available for our students! Our staff has received training in Bikeability, ensuring that our children learn essential cycling skills in a safe and supportive environment. This initiative not only promotes physical activity but also fosters confidence and independence in our young learners.

Our Year 5 and 6 netball team recently participated in a tournament at Richard Crosse, where they showcased their talent and teamwork, finishing in second place! This achievement reflects the hard work and dedication of our students and coaches. We are incredibly proud of their sportsmanship and commitment to excellence.

We are delighted to announce that several of our talented swimmers will represent our schools in the Tamworth Schools Swimming Finals at the Snowdome in April. This is a fantastic opportunity for our children to demonstrate their skills and compete at a higher level. We wish them the best of luck and know they will make us proud!

Recently, we underwent a MAT English review, and we are proud of the results! The review highlighted the calm and purposeful learning environment in our classrooms, where children are excited about reading, writing, and communication. Our pupils articulated their learning exceptionally well, showcasing their understanding and engagement with the curriculum. This high standard of teaching and learning is a testament to the commitment of our dedicated team.

To celebrate the special ladies in our children's lives, we hosted Mother's Day meals, where mothers and significant female figures enjoyed a delightful meal with their children. The event was well-attended and filled with joy, laughter, and cherished memories. It was a beautiful reminder of the strong community bonds we nurture at our schools.

At Mary Howard and St. Andrews Schools, we are continuously striving to provide enriching experiences that enable our children to grow and flourish. We are proud of our achievements and the supportive community we have built together. Thank you for being a part of our journey, and we look forward to sharing more wonderful moments in the future!

Warm regards

Rachel Mills-Executive Head of these wonderful schools
