

## Science

Plants: Plant Growth  
We will investigate seeds, bulbs and plants and recognise the conditions needed for germination.

## English

We will write our own stories based on Grandad's Island.

## P.E

Our focus this term will be on Striking and fielding games and Bhangra dancing.

## R.E

We will be participating in the "Spirited Arts" competition and combining our RE knowledge and creative skills to complete our entries.

## Maths

This term we will learn about fractions and time. Reception will continue with Mastering Number and investigate sharing and days of the week, times of the day.

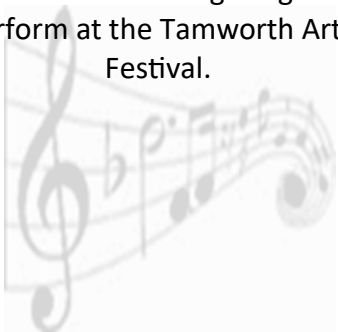

Mary Howard St. Andrew's

## Summer Term 1 Curriculum – Class 1

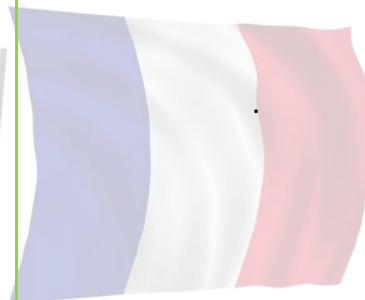

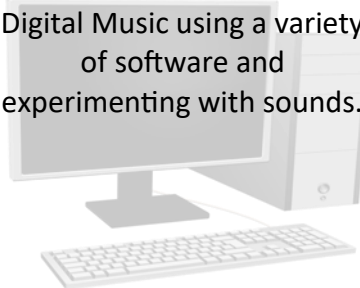

## Music

We will be learning songs to perform at the Tamworth Arts Festival.

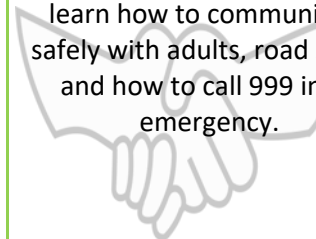

## Computing

Computing this term will focus on Creating Media: Digital Music using a variety of software and experimenting with sounds.

## PSHE

Our PSHE theme is Safety and the Changing Body. We will learn how to communicate safely with adults, road safety and how to call 999 in an emergency.

## Art

We will be creating paintings Inspired by Kandinsky—to display at the Tamworth Arts Festival.
