

## Science

By exploring light and shadows, class two will learn about light and non-light sources, what happens when light reflects and identify patterns between groups of materials and the shadows they produce.

## English

Our narrative for this term is The Lost Happy Endings by Carol Ann Duffy. The children will learn about the magical tale where a wicked witch steals all the happy endings to bedtime stories and how Jub, the keeper of the happy endings, must save the day and ensure sweet dreams everywhere in this lyrical story about storytelling. The children will write multiple pieces alongside this exploration including diary entries and letters.

## P.E

In PE this term, Class Two will learn about tennis, outdoor adventurous activities and Bhangra.

## R.E

For this term, Class Two will be exploring how people express their faith through the arts.

## Maths

In Maths this term, Class Two will deepen their understanding of Fractions, Decimals and Money. They will also continue to increase their arithmetic fluency through our daily Fluent in Five activities.
