

It is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.

Message from Miss Mills

Dear St. Andrew's Community,

Welcome back to the final term of the academic year! We are excited to embark on this busy half-term together, filled with numerous activities and opportunities for our children to grow and flourish. Please remember to keep an eye on Class Dojo, our school website, and this newsletter for the latest updates and information.

Last night, we celebrated the publication of our recent OFSTED report. We are incredibly proud of our St. Andrew's community and the hard work and dedication shown by our staff, children, and families. This positive feedback reinforces our commitment to providing the very best education and nurturing environment. We are excited about what the future holds for our school! [Ofsted | St. Andrew's CE Primary School](#)

Looking ahead, we have a range of exciting events planned:

- Cross Country
 - Athletics
 - Spelling Bee
- Father's Day Breakfast
- Swimming Lessons

As we move through this term, let us remember the words of Ecclesiastes 3:1: "To everything, there is a season, and a time for every matter under heaven." Together, we will make the most of this season and ensure our children continue to thrive.

Thank you for your ongoing support and commitment to our school community. Here's to a fantastic final term!

Warm regards,

Rachel Mills

Schools Games Awards- Gold AGAIN!

We are delighted to announce that we, Mary Howard and St Andrews, have achieved the School Games Gold Mark Award for the 2024/25 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:
Football, Netball, Boccia, Swimming, Athletics, Dance and Cross-Country

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to: Our parents for supporting and transporting our children to these events

We look forward to applying once again in 2026!
