

It is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.

Parable of the Mustard Seed- Matthew 13:31-32

Message from Miss Mills

Dear families,

What a busy week at St Andrews— full of muddy trainers, squeaky helmets and an astonishing amount of community spirit. Here are the highlights. Our KS2 children were absolute troopers at Tamworth Athletics Club this week. They raced, jumped and threw with determination — and came away with a fantastic 3rd place overall. Huge well done to every child who took part: you showed perseverance, teamwork and resilience.

Our Greenpower teams had a sensational day at Curborough. With rainforest-themed go-karts, cheering spectators and a whole lot of fun. St Andrew's scooped 2nd place for Body Work. The craftsmanship and attention to detail were brilliant and Mrs Wardale was awarded the Spirit of Greenpower trophy. A very well deserved for her dedication, encouragement and championship-level enthusiasm.

We had a fabulous day at the track with sun, speed and smiles. Thank you to everyone involved for making it so special.

A heartfelt thank you to SASA for organising the Father's Day breakfast. This event could not have happened without your time, cooking expertise and early-morning energy. The children loved it and we are very blessed by the strength of our school community.

We are so grateful for the generosity, time and support shown by parents, staff and volunteers this week. Events like these make our vision — that every child should “grow and flourish” — come to life.

Enjoy a restful weekend with your families. See you on Monday — slightly calmer, we hope!

“The kingdom of heaven is like a mustard seed... it grows into a large tree, and the birds come and perch in its branches.” — Matthew 13:31–32

With thanks and best wishes,

Rachel Mills

Social media ban for under-16s

On Monday, the Prime Minister [announced](#) the introduction of a social media ban for under-16s. [Speaking in the House of Commons](#), Liz Kendall MP (Secretary of State for Science, Innovation and Technology) set out the ban would come into force from spring 2027, covering “user-to-user platforms that allow users to post material alongside algorithms” such as Snapchat, TikTok, YouTube, Instagram, Facebook and X.

Restrictions on “high-risk features” will also be introduced, including banning livestreaming for under-16s; “stranger communication” on gaming platforms; and AI chatbots that offer sexualised content for under-18s. The Government is also “strongly minded to bring in default overnight curfews and breaks in infinite scrolling”, with an additional statement due in July following pilot schemes.

Ofqual is expected to set out age-assurance and compliance proposals, undertake a review into the Online Safety Act 2023 to ensure children cannot access “riskier, less regulated sites”, and publish an enforcement strategy.

A summary fact sheet ([new rules to protect children online](#)) has been published, and further details and the government’s full response to the consultation are expected in the coming months.

The Great British Summer Savings scheme

The Great British Summer Savings scheme is running from 25 June to 1 September 2026, helping families feel a bit less squeezed this summer.

The new scheme includes reduced VAT on days out, including tickets at attractions like soft play, adventure centres and theme parks, children's tickets for theatres and cinemas, and children's meals in restaurants. Children aged 5 to 15 in England will also be able to travel free on local bus services throughout August.

For further information about the scheme visit [Summer Savings](#). If helpful, please share this with parents, carers and families through your usual channels.

This is in addition to further support available to families, with more information available at [Cost of Living Help](#).

Tamworth Festival 2026

Dear families,

We are delighted to share some very exciting news with you about the Tamworth – Better Together Festival, which will be returning in 2026 following the huge success of last year's event.

This year's Festival will follow a similar, much-loved format and will bring together 20 primary schools and two high schools from across Tamworth. Leaders and teachers from all participating schools have worked collaboratively to plan a rich and inspiring Creative Week, celebrating the power of belonging and the belief that we really are *better together*.

Save the Date: Festival Celebration Event

We would also love to invite families and the wider community to celebrate with us at the main Festival event:

Saturday 4th July 2026

11:00am – 3:00pm

Many families brought picnics last year, and we are pleased to share that even more attractions, performances, and community groups will be joining us this year, making it a wonderful day for all ages. Further details will be shared closer to the time.

Thank you for your continued support. We are incredibly excited about the creativity, joy and togetherness this Festival brings, and we look forward to celebrating with you and your children.

Yours sincerely,

Tamworth – Better Together Festival Planning Team

Thank You for Your Consultation Feedback

Following the consultation period and review by the Local Governing Committee, the proposed changes to our school day have been approved for September 2026.

This reduces our school day by 15 minutes from the start of the 2026 academic year, bringing us in line with other schools in the TSSMAT and meeting the expected 32.5 hour school week by the Department of Education

Tax-free Childcare

Tax-Free Childcare can help with the cost of paying for childcare.

You'll need to set up a childcare account, which both you and the government will pay into. You can then use this money to pay your childcare provider.

For every £8 you pay into the account, the government will top it up by £2.

The total top up you can get for each child is £500 every 3 months (up to £2,000 a year). This goes up to £1,000 every 3 months if your child is disabled (up to £4,000 a year).

You'll usually need to be working (or returning to work) and your child must be 11 or younger (16 or younger if they're disabled).

How it works

Once you have a childcare account, you can pay money into your account by Direct Debit, standing order or bank transfer.

Your payment will usually appear in your childcare account within one working day. The government's payment is added at the same time.

You can then pay your childcare provider.

You must sign in to your childcare account every 3 months to confirm you're still eligible. If you do not, your Tax-Free Childcare will stop.

For more information go to <https://www.gov.uk/tax-free-childcare>.

Important: Urgent Safety Notice Regarding School Access

We are writing to ask for your urgent cooperation regarding morning drop-offs and afternoon pick-ups. To ensure the safety of all our pupils and to allow the school to function smoothly, please adhere to the following:

No Access to School Gates: Please do not drive into the school gates at any time. This area must remain clear for staff access and emergency vehicles.

Keep Zig-Zags Clear: Do not park or pull over on the yellow zig-zag lines. These are in place to provide a clear line of sight for children crossing the road.

We ask that you park safely further up the road and walk the remaining distance to the gates.

Current parking behaviours are creating significant safety risks for our children and preventing staff from entering the car park. We appreciate your support in keeping our school environment safe and accessible for everyone.
