

It is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.

Parable of the Mustard Seed- Matthew 13:31-32

Message from Miss Mills

Dear Families

What a fabulous sunshine week we have had at St. Andrews! As we move into the final stretch of the school year, there is so much to celebrate and reflect upon.

This week kicked off with the Tamworth Athletics Tournament on Tuesday, where our children showcased their incredible talent and sportsmanship. We are thrilled to announce that our team secured second place! The children represented The Mease Family with pride and enthusiasm, and we couldn't be prouder of their achievements.

On Wednesday, we held our annual TSSMAT Spelling Bee, and our children once again shone brightly. Our Key Stage 2 team finished in a close second place, while our Key Stage 1 team achieved a commendable third place. Their hard work and dedication truly paid off, and it was a joy to see them compete with such spirit and confidence.

None of these achievements would be possible without the unwavering support of our parents and community. Thank you for your encouragement and involvement; it makes a world of difference in our children's experiences.

As we look ahead, we have four weeks left in the school year, and they are packed with exciting events! Please check the dates listed in this newsletter or visit our school website for more information.

As we head into the weekend, I wish you all a glorious time together. Don't forget to apply your sunscreen and enjoy the sunshine!

"Let all that you do be done in love." - 1 Corinthians 16:14

Warm regards,

Rachel Mills

Meals Price Increase

Dear Parents and Guardians,

We are writing to inform you of a necessary adjustment to the price of school lunches, effective from 01st September 2025. The new cost per school lunch will be £2.95.

We understand that household budgets are increasingly stretched, and we have not taken this decision lightly. In fact, we deliberately did not increase our lunch prices last year despite rising costs. However, we are now facing significant pressures that necessitate this change to ensure we can continue to provide meals for our students.

Several factors have contributed to this unavoidable increase. Food costs, as you may be aware, have risen considerably, exceeding the current inflation rate of 3%. Additionally, we have experienced increases in energy and staffing costs, which are essential for the smooth operation of our kitchen and the delivery of this important service. For context, the current cost of a primary school lunch in Staffordshire is between £2.70 - £3.20.

Our intention is to keep the cost of a school lunch under £3.00 for as long as possible, and this adjustment to £2.95 is a direct result of striving to balance the increasing costs with the financial pressures faced by our families. We want to assure you that the school does not make a profit on school lunches; the price is set solely to get as close to covering the costs of providing this service as possible. Our lunches abide by the School Food Guidelines, offer the recommended calorie intake for children, and pupils always have the option of a full salad bar in addition to their main meal, and fresh fruit or yoghurt as dessert options.

We appreciate your understanding in this matter. We remain committed to providing healthy and appealing meals for our pupils and will continue to look for efficiencies wherever possible.

If you have any questions or concerns, please do not hesitate to contact the school office.

Best wishes
St Andrews primary school

Football; All our after-school clubs are designed to be fun, no matter your child's age. Each week, parents can treat their children to an action-packed football session that will help them develop skills through both in-game play and coaching. After-school sports clubs give children the opportunity to have fun and burn energy after a day of classes. Football is a great sport for kids of any age. It helps children to develop a variety of core skills that will be useful throughout all aspects of their life – from other sports, school classes, and their future.

Why Premier?....

Attending our club will provide your child/children with a series of fun sessions to improve not just sports skills, but also many other important assets in the process; Social skills and key motor skills are the successful by-products of the clubs we host. Our qualified coaches deliver fun sessions, allowing your child/children to enhance their skills and techniques vital towards successful short and long term athletic development. Premier strives to ensure each club is a place for your child/children to find new friends, enjoy themselves, be rewarded for success, boost self-confidence and obtain an active and healthy lifestyle.
