

Koinonia- Wisdom-Love- Perseverance

It is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.

Parable of the Mustard Seed- Matthew 13:31-32

Message from Miss Mills

Dear Families

This week, we celebrated our Olympic-style sports day, and I would like to extend a heartfelt thank you to Miss Leigh for her exceptional organisation of this event. The enthusiasm and spirit displayed by our children were truly inspiring, and it was wonderful to see our school community come together for such a fun and competitive day.

I would also like to express our gratitude to the St. Andrew's School Association (SASA) for providing refreshments during the sports day. Your support in keeping our families and children refreshed and energised is greatly appreciated!

I am excited to share that we have been working on implementing a new communication and finance app called Arbor. This app will serve as a one-stop shop for all communication, including letters, messages, trips and visits, meals and snacks. You will also be able to monitor attendance and behaviour through this platform! Once fully operational, Arbor should be a brilliant tool that simplifies communication for you. However, as with any new app or approach, we will be rolling this out slowly to ensure everyone is comfortable. All we need you to do is download and log into the parent app, and we will guide you through the process step by step starting in September.

I would also like to take a moment to highlight the fantastic experiences our Year 5 and 6 children had during their recent residential trip to Laches Wood. The children had an amazing time engaging in various outdoor activities, building teamwork skills, and creating lasting memories. A huge thank you to Miss Warner and Mr. Buckley for their dedication and effort in enabling this wonderful opportunity for our children.

Additionally, I am excited to invite you all to join us this Saturday for our Summer Fayre! The event will take place at the school from 11 AM to 3 PM. It promises to be a day filled with fun activities, stalls, and community spirit. We look forward to seeing you there!

As we reflect on our community spirit and the growth of our children, I would like to share a biblical quote that resonates with our journey:

"Let all that you do be done in love." - 1 Corinthians 16:14

Thank you for your continued support, and I wish you all a wonderful week ahead!

Warm regards,

Rachel Mills

Executive Headteacher

Introducing Arbor!

Important Information: Introducing the Arbor App

We are excited to announce the upcoming introduction of a new school app, **Arbor**, which will significantly enhance our communication and administrative processes.

You should have recently received an email with your login details for Arbor. If you have not received this, please check your spam/junk folder in the first instance.

Arbor is designed to replace many of our current systems, including **ParentPay**, and will become the central hub for various school-related activities. To ensure a smooth transition, please make sure all outstanding payments on our current systems are up to date.

We understand that adopting a new system takes time, and this will be a gradual process. We are committed to supporting you through this change and look forward to a smooth transition that will lead to a more streamlined and efficient approach to communications and school management for everyone.

Thank you for your cooperation and support.
