

It is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches.

Message from Miss Mills

Dear families

As we reach the end of a busy and fulfilling half-term at both St. Andrew's and Mary Howard Primary Schools, I wanted to take a moment to reflect on all that we have achieved together. It has been a period brimming with enriching experiences, exciting trips, and memorable sporting events, all contributing to our children's growth and development, in line with our vision to help them 'Grow and Flourish'. As Proverbs 22:6 says, "Start children off on the way they should go, and even when they are old they will not turn from it." This quote underpins our commitment to providing a strong foundation for our children's future.

Our children have benefited from a range of educational visits and in-school experiences designed to broaden their horizons and bring learning to life. From historical explorations to nature walks, these opportunities have sparked curiosity and fostered a love of learning. We've witnessed fantastic teamwork, sportsmanship, and determination in our sporting events. Whether on the field, in the hall, or participating in inter-school competitions, our children have represented our schools with pride and enthusiasm.

None of this would be possible without the dedication and hard work of our incredible staff. Their commitment to providing a nurturing and stimulating learning environment is truly appreciated. I would also like to extend a special thank you to Mrs. Orgill, Miss Leigh, and Miss Watkins for their engagement in balance bike training. Because of their commitment, we have secured £1,500 worth of balance bikes and helmets for each school. This will significantly enhance our children's physical development and enjoyment of outdoor activities.

Finally, thank you to our supportive governors and families. Your partnership and involvement in your child's education are invaluable, and we are grateful for your continued support. We are looking forward to the TSSMAT English review the first week back, showcasing our English curriculum and the hard work of our staff and children. We also look forward to welcoming you to our Parents' Evening, where we can discuss your child's progress and achievements.

As we head into a well-deserved break, I wish you all a restful and enjoyable time. We look forward to welcoming the children back refreshed and ready for the next half-term, where we will continue to provide them with opportunities to grow, learn, and flourish.

With warmest regards,

Rachel Mills

CEO Update Spring 1 2025

It has been a fast paced half term for all of our schools. There have been a huge range of wonderful curriculum linked activities from special menus for Chinese new year and a range of activities to trips such as Letocetum (the ancient remains of a Roman settlement at Wall) and Tamworth castle. Several schools have held beautiful spirituality days and Ralph and I enjoyed the leadership and delivery by Jordan and Reverend Jeremy at Richard Crosse. Greenpower has also started with gusto!

Thank you to our whole team for ensuring our children have had a vibrant time and

excellent learning, it's been a great half term!

It has also been a strategic half term for all of our Headteachers, Governing Committees (LGCs) and Directors. They have enjoyed meeting to identify the next steps in our school and Trust journeys. New LGCs to our Trust have conducted evaluations and developed plans for the future. We are so lucky to have such exceptional volunteers. It is important that we take this moment to thank one of our Directors for her 11 years of service. Sue Cockayne will remain an associate of our team but has resigned her post as Director of wellbeing. She will be sorely missed for all her work, especially as a tangible, supportive link to myself and our Headteachers. As you are also aware from our recruitment drive, we are securing new Governors and Directors across the Trust and ask that you contact your Headteacher or myself if this is something you are interested in.

Ralph and I have enjoyed being connected with our schools and were able to attend almost all LGCs as well as seeing children and staff. We were so proud of the children at St Marys who led our Trust worship on 'trustworthiness' and Ralph had a much needed bath with the children at All Saints - the children were so kind and gentle and had a ball playing with him - he liked the book corner too.

Have a good half term and we look forward to seeing you all in a week! From Charlene Gethin and *Ralph*!

Gymnastics: As one of the most popular sports across the planet, it's no wonder that boys and girls love to take part in gymnastics. Our classes are designed specially to ensure kids have fun, learn the fundamentals of movement, and leave with a smile on their faces.

While gymnastics is a fun, exciting activity for kids to participate in, it is also important to maintain proper safety measures. This will include things like laying out appropriate mats to provide a soft surface, and performing a good warm-up and stretching before beginning a class.

After-school clubs are a fantastic way for your child to experience gym – whether they are a regular gymnast, or if it's their first time!

Why Premier?....

Attending our club will provide your child/children with a series of fun sessions to improve not just sports skills, but also many other important assets in the process; Social skills and key motor skills are the successful by-products of the clubs we host. Our qualified coaches deliver fun sessions, allowing your child/children to enhance their skills and techniques vital towards successful short and long term athletic development. Premier strives to ensure each club is a place for your child/children to find new friends, enjoy themselves, be rewarded for success, boost self-confidence and obtain an active and healthy lifestyle.

Thank you for your understanding and support!

Medicines

Important Medication Administration Information for Parents

Dear Parents,

We would like to remind you of our policy regarding the administration of medication at The Staffordshire Schools Multi Academy Trust.

- **Prescription Requirement:** We can only administer medication that has been prescribed by a doctor, dentist, nurse, or pharmacist.
- **Medication Labelling:** All medication must have the prescription sticker attached, which should include your child's name, the date, the type of medicine, and the dosage.
- **Permission Form:** Before any medication can be administered, a signed Permission to Administer Medication form must be completed in advance at the school office.
- **Dosage Frequency:** Please note that we can only administer medication if your child requires a dose four times a day or more. For medications that need to be taken less frequently, we kindly ask that these be administered at home before school, immediately after school, and before bedtime.

INJURY ON ARRIVAL TO SCHOOL

As part of our Safeguarding Children Policy, we ask that all parents/carers whose children suffer an injury outside of school e.g. cut knee from falling off a bike, bruises from a football match etc., would need to fill out an Injury on Arrival Form. It is paramount that we have this form filled out.

Thank you for your cooperation in ensuring the health and safety of all our children.

Kaleidoscope of Colours Arts Festival

Dear Parents and Carers,

We are thrilled to share an exciting opportunity that your child/children will be engaging with this July 2025, and we hope that you will also participate fully.

We are delighted to announce that our school will be taking part in an Arts Festival called 'Kaleidoscope of Colours.' This vibrant project will take place during the week beginning the 7th of July. Twenty-two primary schools and several high schools will join together to participate in a week-long festival of art, music, and dance.

During this week, the children will have the unique opportunity to work with the Royal Ballet and Opera House. They will learn to sing and perform, as well as focus on producing art. The aim of this project is to celebrate Tamworth, its diversity, and its talent, while encouraging a wide range of community groups to connect with the children.

The festival will culminate in performances on the Tamworth Castle grounds on Saturday and Sunday, the 12th and 13th of July. The Sunday will also feature a Family Picnic, making it a wonderful day for the whole family to enjoy.

We kindly ask you to set these dates aside and join us in making this weekend a special community event, celebrating all the good in Tamworth. We are working closely with Tamworth Council and numerous community groups to ensure this weekend is memorable for everyone involved.

Thank you for your support, and we look forward to seeing you there!

Why is it important?

Attendance	Days absent	Weeks absent	Lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons
75%	48 days	10 weeks	250 lessons
70%	57 days	11.5 weeks	290 lessons

Across the TSSMAT we expect good attendance to ensure that all pupils are able to take full advantage of the education available to them. Good attendance matters.

Pupils who have good attendance: **Get better jobs in the future, Achieve better results, Make better friendships, Have good self-esteem and confidence**

We strive for every child to achieve 96% attendance or higher. Please do not be offended if you are told that we are concerned about your child's attendance or if you receive a letter of concern. Attendance falls under the category of safeguarding and it is our duty of care to challenge and support attendance. If we can help in any way please contact Miss Mills or the office. Thank you.

Medical Appointments

Could we kindly remind

parents, to try and book medical appointments outside of school times. We do understand that there are occasions when this is not always possible.

Thank you!

Little Heroes Attendance

We are excited to announce the return of our Little Heroes Attendance Initiative for the current academic year. You will see posters and other promotional materials displayed throughout the school to raise awareness of this programme.

In each classroom, there is a sticker chart where pupils' names are displayed. Every day a pupil attends school and arrives on time, they will receive a sticker next to their name on the chart. The "Hero" acronym stands for "Here Everyday Ready and On Time" - the key pillars of this initiative.

The Little Heroes Attendance Initiative will run throughout the year. Pupils who maintain 100% attendance and punctuality each half term will be rewarded with a certificate.

For more detailed information about the programme, please visit the dedicated webpage at Staffordshire.gov.uk/littleheroes.

We appreciate your continued support in encouraging strong attendance habits among our pupil community. Together, we can ensure all our pupils have the best possible start to their day and access the full benefits of their education.
