## *Message from Miss Mills*

Dear Families

As we close another wonderful year at St Andrew's, I want to thank everyone who has helped our children to grow and flourish. A particular thank you to SASA for the many events you've organised that knit our community together and for the generous Chromebook donation which is already enhancing classroom learning and digital literacy across the school. Your funding has also given us the Reading shed and bright new playground markings, making playtimes and outdoor learning safer and more inspiring for all our children.

I am deeply grateful to our staff for their tireless hard work and commitment; your care, high expectations and creativity have helped pupils thrive both academically and in our church performances. This year's calendar has been full of memorable moments, from sporting fixtures and Church performances to our Green Power racing to the many trips and visits that have enriched the curriculum and given children first-hand experiences they will remember for years.

A brilliant well done to our Year 6 cohort who leave us today with excellent SATs results; we are very proud of the effort, resilience and kindness they have shown. We wish them every success as they move on and remind them that they will always be part of the Mease family. We also look forward with excitement to welcoming our new children in September and to continuing to build a confident, curious and caring school community.

Enjoy a brilliant summer holiday; the school reopens on Thursday 3 September 2026 and we expect pupils to return in full uniform with the correct footwear. As we rest and recharge, may we remember our vision: "Though it is the smallest of all seeds, yet when it grows it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches." — Matthew 13:31–32.

With thanks and best wishes for a safe, happy summer,

*Rachel Mills*

*Executive Headteacher*

Dear Parents and Carers,

We are writing to inform you of an upcoming adjustment to our school meal and Care Club prices, which will take effect from September 2026.

Reviewing our prices is always a last resort. However, like many households and organisations, the school is facing significant ongoing financial pressures. We are experiencing sharply rising costs across our operational budget, specifically regarding food supplies, energy utilities, and staffing salaries. As you may know, our funding has not increased in line with these rises.

#### Summary of Price Changes

To ensure we can maintain the standard of these vital services, the following adjustments will apply from the start of the new academic year:

- School Lunches: Increasing by 10p, moving from £2.95 to £3.05 per meal.

In looking at how to manage this, we have carefully reviewed school lunch prices across Staffordshire to see how we compare. Moving to £3.05 means we are successfully managing to stay on the lower end of the county's average pricing for school lunches, while still working towards helping with the rising costs of ingredients and catering staff wages.

We want to reassure you that the school does not make any profit from these provisions. Every penny received from these fees goes directly toward covering the baseline costs of delivering nutritious meals and safe, high-quality wraparound care for your children.

We completely understand that any increase in household expenses is unwelcome, and we have worked hard to keep these changes as minimal as possible. We really do appreciate your continued support and understanding.

## Important Information – Education Support Fund

Please be aware that the Education Support Fund has now closed, and we are no longer able to accept or process any new applications.

All funding has been allocated. The last eVouchers to be issued through the scheme were for the Easter Holiday 2026.

If you are currently experiencing a financial crisis or are in urgent need of support, please contact Staffordshire Crisis & Resilience Team at [staffordshirecrf@staffordshire.gov.uk](mailto:staffordshirecrf@staffordshire.gov.uk)

A member of the team will review your situation and provide guidance on the assistance that may be available to you.

## Social media ban for under-16s

On Monday, the Prime Minister [announced](#) the introduction of a social media ban for under-16s. [Speaking in the House of Commons](#), Liz Kendall MP (Secretary of State for Science, Innovation and Technology) set out the ban would come into force from spring 2027, covering “user-to-user platforms that allow users to post material alongside algorithms” such as Snapchat, TikTok, YouTube, Instagram, Facebook and X.

Restrictions on “high-risk features” will also be introduced, including banning livestreaming for under-16s; “stranger communication” on gaming platforms; and AI chatbots that offer sexualised content for under-18s. The Government is also “strongly minded to bring in default overnight curfews and breaks in infinite scrolling”, with an additional statement due in July following pilot schemes.

Ofqual is expected to set out age-assurance and compliance proposals, undertake a review into the Online Safety Act 2023 to ensure children cannot access “riskier, less regulated sites”, and publish an enforcement strategy.

A summary fact sheet ([new rules to protect children online](#)) has been published, and further details and the government's full response to the consultation are expected in the coming months.

## The Great British Summer Savings scheme

The Great British Summer Savings scheme is running from 25 June to 1 September 2026, helping families feel a bit less squeezed this summer.

The new scheme includes reduced VAT on days out, including tickets at attractions like soft play, adventure centres and theme parks, children's tickets for theatres and cinemas, and children's meals in restaurants. Children aged 5 to 15 in England will also be able to travel free on local bus services throughout August.

For further information about the scheme visit [Summer Savings](#). If helpful, please share this with parents, carers and families through your usual channels.

This is in addition to further support available to families, with more information available at [Cost of Living Help](#).

## Thank You for Your Consultation Feedback

Following the consultation period and review by the Local Governing Committee, the proposed changes to our school day have been approved for September 2026.

*This reduces our school day by 15 minutes from the start of the 2026 academic year, bringing us in line with other schools in the TSSMAT and meeting the expected 32.5 hour school week by the Department of Education*

## Adapted Wraparound Care for Working Families

We understand that an earlier finish affects family routines. Our wraparound care sessions have been adjusted to seamlessly cover the earlier finish at **no extra core cost**.

**After-School Club** ⌚ 3:15 pm to 4:30 pm **£5.20\***

**Extended Care** ⌚ 4:30 pm to 5:15 pm **£9.05\***

Thank you for your continued support as we implement this change to benefit our entire school community. We are providing this notice well in advance to ensure families have ample time to prepare. Should you have any questions regarding your specific childcare needs, please do not hesitate to contact the school office.

Miss R. Mills  
Executive Headteacher, St Andrew's Primary School

Mrs Anna Spencer-Gray  
Chair of the LGC

\*Prices remain consistent with previous rates, with only slight adjustments to session times to accommodate the earlier finish. (Please note these prices are subject to standard annual review).

## *Tax-free Childcare*

**Tax-Free Childcare can help with the cost of paying for childcare.**

**You'll need to set up a childcare account, which both you and the government will pay into. You can then use this money to pay your childcare provider.**

**For every £8 you pay into the account, the government will top it up by £2.**

**The total top up you can get for each child is £500 every 3 months (up to £2,000 a year). This goes up to £1,000 every 3 months if your child is disabled (up to £4,000 a year).**

**You'll usually need to be working (or returning to work) and your child must be 11 or younger (16 or younger if they're disabled).**

### **How it works**

**Once you have a childcare account, you can pay money into your account by Direct Debit, standing order or bank transfer.**

**Your payment will usually appear in your childcare account within one working day. The government's payment is added at the same time.**

**You can then pay your childcare provider.**

**You must sign in to your childcare account every 3 months to confirm you're still eligible. If you do not, your Tax-Free Childcare will stop.**

**For more information go to <https://www.gov.uk/tax-free-childcare>.**

### **Arbor payments**

Would you please check your Arbor Parental Portal for any outstanding payments. We would like to keep all accounts in credit or cleared of any debt.

### **Important: Urgent Safety Notice Regarding School Access**

We are writing to ask for your urgent cooperation regarding morning drop-offs and afternoon pick-ups. To ensure the safety of all our pupils and to allow the school to function smoothly, please adhere to the following:

**No Access to School Gates:** Please do not drive into the school gates at any time. This area must remain clear for staff access and emergency vehicles.

**Keep Zig-Zags Clear:** Do not park or pull over on the yellow zig-zag lines. These are in place to provide a clear line of sight for children crossing the road.

We ask that you park safely further up the road and walk the remaining distance to the gates. Please can parents also refrain from parking at the entrance of Potters Croft, we have had complaints that it is blocking the view of traffic on the main road when pulling out.

Current parking behaviours are creating significant safety risks for our children and preventing staff from entering the car park. We appreciate your support in keeping our school environment safe and accessible for everyone.
