Message from Miss Mills

Dear St Andrews Families,

As we head into the penultimate week of term, it's a wonderful time to reflect on the fantastic learning and enrichment activities our children have been involved in.

Our Maple class has been exceptionally busy, truly embedding their learning through practical, real-world tasks.

Willow class had an amazing opportunity to consolidate their historical knowledge with a trip to Whittington Barracks. By stepping into a trench and seeing genuine World War I memorabilia, they were able to make powerful, tangible links to their learning about the Great War. We were incredibly proud to receive praise for the impeccable behaviour and excellent manners of our children—they were truly a credit to the school and their families.

Similarly, Oak class continues to utilise their learning from their recent, successful visit to the National Memorial Arboretum. We are so fortunate to have such wonderful places to visit locally, and we're grateful for the use of the TSSMAT mini-bus which makes these enriching trips possible.

This week also marked the final swimming session for both Willow and Oak classes. Once again, the children were commended on their excellent behaviour, and it was genuinely lovely to witness them all grow in confidence in the water. Swimming lessons will now pause until next year.

Finally, we held our Parent Forum this week. It is so valuable to have this opportunity to work together to ensure St Andrews remains a truly special place for our children to learn and thrive. Thank you to all the parents who support this vital group. The minutes are available on Dojo and the school website—please look out for the details of our next meeting!

"Start children off on the way they should go, and even when they are old they will not turn from it." We strive every day to provide that grounding for your children.

Thank you for your continued support. I wish you all a restful and enjoyable weekend.

Warm regards,

Rachel Mills

Executive Headteacher

Primary School Admissions

Primary/Infant/First Schools ONLY - Reception application process

The application process for a reception place for September 2026 will open on 01 November 2025.

The easiest way for parents to apply is online. Further information can be found on [Admission to primary and middle schools - Staffordshire County Council](#)

The closing date is 15 January 2026.

IMPORTANT INFORMATION - ADMISSION INTO RECEPTION CLASS SEPTEMBER 2026

To be sure of receiving an offer on national offer day please apply online through our website
www.staffordshire.gov.uk/admissions.

The online system will ask for a UID number – please click 'No UID', this will allow you to continue with your application. You will need to make your application by **15 January 2026** and your child will receive an offer of a reception place on national offer day 16 April 2026.

All the information you need about the admissions process within Staffordshire is available on our web pages. You must apply for all schools that you would prefer your child to attend including schools outside of Staffordshire or grammar schools. You will need to check the admissions arrangements for each school you are interested in to see what priority will be given to your application and whether you should provide additional information or a supplementary form with your online application.

If you do not make an application your child will be disadvantaged as children whose parents/carers have applied will be given priority for popular schools.

You must apply even if you have an elder child already attending the school (or affiliated Junior). No priority is given in the admission process because your child is currently in a nursery class and there is no guarantee that they will be allocated a place at the school at which they currently go to nursery.

If there are other persons with parental responsibility for your child, who are not living at your home address, it is expected that you will jointly agree on school places before an application is made. The local authority is not able to intervene in disputes between parents over school applications and will request that these are resolved privately.

TSSMAT Spelling Bee: Getting a 'BUZZ' about Spelling!

The TSSMAT is thrilled to announce the second year of our exciting new Spelling Bee competition, designed to promote high standards in spelling across our schools. This termly event will not only enhance children's spelling skills but also foster a sense of community and friendly competition among peers.

Aims of the Spelling Bee

The School Spelling Bee is set to take place at the end of each term, encouraging children to learn their key spelling words in a supportive and engaging environment.

The initiative aims to:

- Promote High Standards: By focusing on key spelling words, we aim to elevate spelling proficiency across the school.
- Encourage Participation: Every child is invited to take part, regardless of their current spelling abilities. We believe that all children can achieve and aspire to be their best.
- Celebrate Achievements: All participants will be celebrated, with each child receiving a Spelling Bee certificate during our Achievement Assembly.

How does It Work?

To prepare for the competition, we encourage parents and guardians to support their children in learning the key spelling words. A downloadable list of these words is available below.

Here's how the competition will unfold:

1. Class Heats: At the end of each term, class teachers will hold heats within their classes to identify the year group winners.
2. MAT Spelling Bee Competition: In the summer term, the excitement will culminate in a MAT Spelling Bee Competition, where our school will compete against other schools in the academy for the coveted MAT Spelling Bee trophy.
3. Finals and Celebrations: The final event will determine which school will take home the title of Spelling Bee Champion.

Join the Buzz!

We encourage all children across every year group and ability level to participate.

Remember, "You've got to be in it to win it!"

Let's rally together and aim to bring the trophy home to the Mease Schools in 2025!

Together, let's make spelling a fun and rewarding experience for all our children, fostering a love for words and language that will last a lifetime. For further details and to download the key spelling words, please check the website.

Dear Parents/Carers,

We have been made aware that several titles in the *Spy Dogs*, *Spy Pup*, and *Spy Cat* series by Andrew Cope contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material, containing pornographic content with no age restrictions.

We have removed copies of the book from our school library and classroom book corners.

Below are images of some of the front covers in the series to help you identify the books should you have any at home. We advise you remove them immediately. Should any be the property of the school, please return them and we will dispose of them accordingly.

Many Thanks
