## Message from Miss Mills

Dear St Andrews and Mary Howard Families,

I am delighted to share that we have recently celebrated two wonderful Harvest Festivals in our churches. It was heart-warming to see so many parents and members of our community come together for this special occasion. A heartfelt thank you to our dedicated staff for orchestrating these meaningful services, to our children for their enthusiastic delivery, and to all our families for their generous donations to the Trussell Trust.

We also held our second maths review at St Andrews, conducted by the CEO of TSSMAT, alongside governors and fellow Headteachers. We are incredibly proud of the amazing practice they witnessed. The enthusiasm our children show for their learning is inspiring, and the calm, purposeful environments we have cultivated are truly conducive to learning for all. As Proverbs 22:6 reminds us, "Start children off on the way they should go, and even when they are old they will not turn from it." This foundation is vital for their ongoing success.

Our recent Parent Forums have been a tremendous success, demonstrating the strength of our collaboration as we work together for the greater good of our schools. Thank you for your continued support and engagement; it makes a significant difference in our school communities.

As we approach the end of term, I want to highlight the fantastic events our Parent-Teacher and Friends Associations (PTFAs) have organised. These activities not only enrich our school community but also foster a sense of belonging and joy among our families. I am grateful for the time and effort our PTFAs invest in creating these opportunities.

Let us continue to support one another and nurture our children as they grow and flourish.

With warm regards,

*Rachel Mills*  
 Executive Headteacher

# Spelling Bee

## TSSMAT Spelling Bee: Getting a 'BUZZ' about Spelling!

The TSSMAT is thrilled to announce the launch of our exciting new Spelling Bee competition, designed to promote high standards in spelling across our schools. This termly event will not only enhance children's spelling skills but also foster a sense of community and friendly competition among peers.

### Aims of the Spelling Bee

The School Spelling Bee is set to take place at the end of each term, encouraging children to learn their key spelling words in a supportive and engaging environment. The initiative aims to:

- **Promote High Standards:** By focusing on key spelling words, we aim to elevate spelling proficiency across the school.
- **Encourage Participation:** Every child is invited to take part, regardless of their current spelling abilities. We believe that all children can achieve and aspire to be their best.
- **Celebrate Achievements:** All participants will be celebrated, with each child receiving a Spelling Bee certificate during our Achievement Assembly.

### How Will It Work?

To prepare for the competition, we encourage parents and guardians to support their children in learning the key spelling words. A downloadable list of these words is available below. Here's how the competition will unfold:

1. **Class Heats:** At the end of each term, class teachers will hold heats within their classes to identify the year group winners.
2. **MAT Spelling Bee Competition:** In the summer term, the excitement will culminate in a MAT Spelling Bee Competition, where our school will compete against other schools in the academy for the coveted MAT Spelling Bee trophy.
3. **Finals and Celebrations:** The final event will determine which school will take home the title of Spelling Bee Champion.

Join the Buzz!

We encourage all children across every year group and ability level to participate. Remember, "You've got to be in it to win it!" Let's rally together and aim to bring the trophy home to the Mease Schools in 2025!

Together, let's make spelling a fun and rewarding experience for all our children, fostering a love for words and language that will last a lifetime.

# For Information

## TSSMAT- Inset Consultation

The Staffordshire Schools Multi Academy Trust currently has 4 schools which plan their inset days in a block at the end of the summer closure period. This means staff return to work in the last week of August, a week earlier than pupils. This time is then taken back by adding a week on to the May half term.

Planning the inset days together enables staff to complete mandatory training, as well as collaborate early in the school year.

For pupils and parents, this means that there is less disruption during the school year with odd inset days, and cheaper holidays are available by using the additional week in May. For year 6 pupils, this also allows additional time to decompress after the SATs.

Generally, schools plan 5 individual inset days at different times across the school year. Dates are planned in the previous school year to ensure adequate notice is given. As a Trust, we have 6 Inset days available to us.

This consultation is to establish whether this arrangement is still fit for purpose, and if it is deemed so, whether schools new to the Trust would like to join this arrangement.

We would be grateful if you could take a couple of minutes to answer the following questions.

This consultation will close at 5pm on Monday 4th November.

**96% - 90%**  
Cause for Concern

**100% - 97%**  
Excellent!

Across the TSSMAT we expect good attendance to ensure that all pupils are able to take full advantage of the education available to them. Good attendance matters.

Pupils who have good attendance: **Get better jobs in the future, Achieve better results, Make better friendships, Have good self-esteem and confidence**

We strive for every child to achieve 96% attendance or higher. Please do not be offended if you are told that we are concerned about your child's attendance or if you receive a letter of concern. Attendance falls under the category of safeguarding and it is our duty of care to challenge and support attendance. If we can help in any way please contact Miss Mills or the office. Thank you.

### Medical Appointments

Could we kindly remind

parents, to try and book medical appointments outside of school times.

We do understand that there are occasions when this is not always possible.

Thank you!

### Little Heroes Attendance

We are excited to announce the return of our Little Heroes Attendance Initiative for the current academic year. You will see posters and other promotional materials displayed throughout the school to raise awareness of this programme.

In each classroom, there is a sticker chart where pupils' names are displayed. Every day a pupil attends school and arrives on time, they will receive a sticker next to their name on the chart. The "Hero" acronym stands for "Here Everyday Ready and On Time" - the key pillars of this initiative.

The Little Heroes Attendance Initiative will run throughout the year. Pupils who maintain 100% attendance and punctuality each half term will be rewarded with a certificate.

For more detailed information about the programme, please visit the dedicated webpage at [Staffordshire.gov.uk/littleheroes](https://www.staffordshire.gov.uk/littleheroes).

We appreciate your continued support in encouraging strong attendance habits among our pupil community. Together, we can ensure all our pupils have the best possible start to their day and access the full benefits of their education.
