Dear Families

I would just like to say a huge thank you to the children, parents, staff and Governors for the warm welcome I have received this week. I have thoroughly enjoyed my first week and I already feel at home.

Thank you all for making me feel part of this wonderful community. I know that we will work together to ensure that all of our children continue to receive the very best support, care and education based around our strong Christian Values. I look forward to this exciting journey with you.

I am passionate about working together so I believe in an 'open-door policy' where you can come and speak to me or message me about anything that is troubling you, concerns, suggestions and don't forget to contact me about the positives.

I look forward to getting to know your families and to be part of both communities, working together to achieve the very best. I will be contacting you soon about my idea for a regular Parent Forum but in the meantime look out for messages on Class Dojo or come and speak to me when I'm on the gate.

Have a joyful weekend full of happiness.

Rachel Mills
