# LASER TAG & ARCHERY

St Andrews Primary school

£37

Monday - Laser Tag  
Thursday - Archery  
Starting 6/9 Nov

## LASER TAG

Using infra red laser technology, our laser tag clubs provide fun in a safe and busy environment. Our action packed games will challenge children tactically as well as physically, and with our ready to go easy use equipment the children will have endless fun. Be it outside in the school woods or inside in the school hall with all the lights off!

ARCHERY 3.30-4.30

Our Archery clubs are as close to the real thing as it comes, they provide an opportunity for children to experience the sport in a safe and fun environment. How good is your child's aim? Children will take part in this exciting sport while also learning the important fundamental skills it takes, including safety, technique and how to get closer to the bullseye every time. The activities will enable the children to use Archery as a vehicle for learning maths through their scoring, literacy through language and citizenship through cooperation and self discipline. The activities provide an alternative and complimentary way of developing skills such as coordination, balance and strength as well as personal, social and mental skills all while having so much FUN playing Archery!

# To book: Please scan the QR code or follow the link below.
