Remissions

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

Voluntary Contribution

Parents / Carers / Guardians will be invited to make a voluntary contribution for the following:

- All costs associated with an educational visit carried out within school hours and provided to enhance the basic learning within the National Curriculum.

The cost of any request made to parents / carers / guardians will specify that the request is for a voluntary contribution and in no way represents a charge. In addition, the following will be made clear to parents / carers / guardians:

- That the contribution is genuinely voluntary and a parent is under no obligation to pay
- That registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents / carers / guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising. Some activities may not take place if parents / carers / guardians are reluctant to support it. The Mease Federation reserves the right to cancel or withdraw the activity or trip if insufficient contributions are made by an agreed date before the trip is to take place.

The level of contribution will be calculated for each activity. The responsibility for determining the level of voluntary contribution is delegated to the Executive Headteacher.
