

ST. ANDREW'S CE PRIMARY SCHOOL ANTI-BULLYING POLICY

Our Vision

At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential.

Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1Corinthians 13:7)

Protect, Trust, Hope and Persevere

Article 2 (non-discrimination)

The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 29 (goals of education)

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Article 13 (freedom of expression)

Every child must be free to express their thoughts and opinions and to access all kinds of information, as long as it is within the law.

Article 14 (freedom of thought, belief and religion)

Every child has the right to think and believe what they choose and also to practise their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights and responsibilities of parents to guide their child as they grow up.

Article 23 (children with a disability)

A child with a disability has the right to live a full and decent life with dignity and, as far as possible, independence and to play an active part in the community. Governments must do all they can to support disabled children and their families.

Objectives of this Policy

St. Andrew's CE Primary School Anti-Bullying Policy outlines what the school will do to prevent and tackle bullying. This policy has been drawn up through the involvement of the whole school community.

1) Our school community:

- Discusses, monitors and reviews our anti-bullying policy on an annual basis
- Has an anti-bullying action plan that is regularly reviewed and updated
- Appoints teachers as anti-bullying leads in EYFS, KS1 and KS2 and has a senior leader to coordinate our whole school approach to anti-bullying
- Has a group of pupils who apply and then are appointed by their peers to be anti-bullying ambassadors
- Has a school governor that works with the Anti-Bullying ambassadors to monitor and support
- Supports staff to promote positive relationships and identify and tackle bullying appropriately
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively meaning pupils feel safe to learn because pupils abide by the anti-bullying policy
- Reports back to parents/carers regarding their concerns on bullying and deals promptly with complaints. Parents/ carers in turn work with the school to uphold the anti-bullying policy
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate
- Has pupils who are supported to be actively involved in anti-bullying initiatives (e.g. including awareness raising, peer support)

2) Definition of bullying

Bullying is defined as:

‘The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online’ (as defined by the Anti-Bullying Alliance)

Bullying includes: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; inappropriate text messaging and emailing; sending offensive or degrading images by phone or via the internet; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

Bullying is understood by all as a barrier to learning, a potential safeguarding issue and a wellbeing issue.
