**We look forward to seeing you!**

**Saturday 25th February 2017**

**10.00 am—2.00 pm**

The annual St. Andrew's CE Primary School Craft Day takes place this year on:

**Saturday 25th February from 10.00 am to 2.00 pm.**

Our Family Craft Day is an opportunity for children and parents to enjoy some fun art and craft activities together in our themed workshops. The workshops are run by the St. Andrew's staff and parents and include malleable play for pre-school children, mask making, face painting, woodcraft, ceramic painting, space buggy and F1 car construction and racing, sewing and other art and craft skills suitable for pre-school and primary school aged children.

The **fun-packed activities** are listed on the booking form inside this leaflet. All you need to do to join us for this event is to sign up to the activities your children would like to do. Each activity costs from £2 and will take approximately 30 minutes to complete.

Please complete the form and return it to the St. Andrew's CE Primary School Office with a cheque made payable to St. Andrew's CE Primary School or the correct amount in cash, no later than Wednesday 22nd February. Tokens for the workshops will be issued the week before the event.

***If you sign up for £10 worth of activities, we shall give you a £1 token towards your next activity***

To avoid disappointment, please make sure that you sign up as soon as possible as numbers are limited! Tickets will be allocated on a 'first come, first served basis'. There will be limited additional places on the day.

And as well as the Craft Workshops.....

... once again this year, we shall be holding a **Food Festival!** The Food Festival has doubled in size and will be located in Benton Building.

All the artwork and entries from the annual St. Andrew's **Children's Art and Photography Competitions** will be on display in Manser Hall.

.... and to keep you going...

**Tea, coffee and cold drinks will be served in Benton Building courtesy of SASA.**
