

Learning Project Term 5 Week 4 – The Great Outdoors/ Healthy Me Jasper’s Beanstalk by Nick Butterworth and Mick Inkpen

Age Range: EYFS

Stories from your teachers

Some of the teachers would like to share stories with their class. To enable this to happen, you need to log into your child’s Purple Mash account, go to ‘2email’ and read the terms and conditions of the platform called ‘Flipgrid’ which is what the teachers will be sending videos through. Once read, please reply to the email and digitally sign your name for the teacher to see. They will then send you a link to the video. You only need to confirm the terms once. Happy listening!

Purple Mash

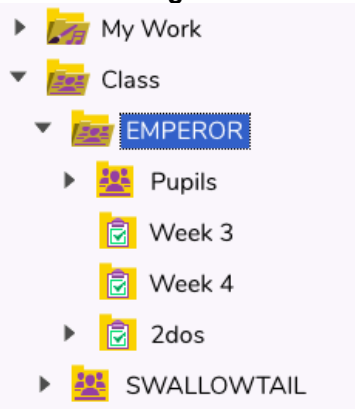

Even if you are focusing your learning by using this grid as opposed to the activities on Purple Mash, please ensure that you check your Purple Mash regularly for any emails or resources. Please note that the red notification symbol on the purple ‘Alerts’ bell is no longer active – you will need to click on the bell (‘Alerts’) for any notifications including comments from your teacher. You can also click ‘2Dos’ for any new set. If you click on ‘Work’, then use the arrow drop-downs to select your class, then you can find your own folder where you can save things, your completed 2Dos, and a weekly folder where extra resources can be saved (for example maths activity sheets which used to be found on White Rose). Please see the below images to help you.

If you search for the app ‘2Email’ you will be able to access your child’s emails. Please make sure you check these for any key updates or information from your teacher.

Home bar:

After selecting ‘Work’:

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Watch a Numberblocks clip each day at: BBC or CBeebies. Use this guide here to give you ideas on what to do with your children whilst watching an episode. • Watch a clip each day. The theme is ‘The Snail and the Whale’. https://whiterosemaths.com/homelearning/early-years/ • Then complete the daily activities – these are saved in Purple Mash in your class ‘Work’ folder. • Number 14 <ul style="list-style-type: none"> ○ Count out 14 objects ○ Practise writing number 14 ○ Make 14p using different coins ○ Practise counting on from 14 ○ Practise counting back from 14 	<ul style="list-style-type: none"> • Remember to use RISING STARS • Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child’s language development. • Reception age children: Children to read to parents daily. Visit Oxford Owl for free eBooks that link to your child’s book band. You can create a free account. <ul style="list-style-type: none"> ○ Complete the linked Play activities for each book. • Continue to add new words to your child’s list of sight vocabulary. Please continue to make sentences with the key words. • Read words using phase 3 phonics https://www.ictgames.com/dinosaurEggs_phonics/mobile/ • Read together/ watch Jasper’s Beanstalk by Nick Butterworth and Mick Inkpen

<ul style="list-style-type: none"> ○ Roll a dice and subtract the number from 14. Record using pictures or by writing the number sentence. ○ Use 14 bricks and make a model <ul style="list-style-type: none"> ● Problem solving: Is 14 an odd or even number? How can you prove it? 	<p>https://www.youtube.com/watch?v=Da6lxY_8jmU&app=desktop&persist_app=1</p> <ul style="list-style-type: none"> ○ Find in the book and read the words that have these digraphs <ul style="list-style-type: none"> ▪ ai/ay ▪ ee/ea ▪ ie/igh/i.e ▪ oa/ow ▪ oo ▪ ue <ul style="list-style-type: none"> ● Write a sentence from the book and cut into individual words. Jumble up the words. Ask your child to read each word and to make it into the original sentence.
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Weekly Phonics Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> ● Ask your child to hide a bear and to tell you where it is by breaking the word down into each unit of sound, e.g. i..n m...igh b..e..d ● Daily phonics - Practice the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud c-a-t) or written if appropriate. Interactive games. ● Cut up lengths of string or thread. Show your child a letter, digraph, trigraph or tricky word and ask them to 'make it' using the thread. It will be tricky! ● Visit this site for some fun games https://www.topmarks.co.uk/english-games/3-5-years/letters-and-sounds 	<ul style="list-style-type: none"> ● Ask your child to write out the tricky words they are working on at the moment on pieces of paper and turn them into a pairs game. ● Using 'Jasper's Beanstalk' book as inspiration, ask your child to start a 'bean diary'. <ul style="list-style-type: none"> ○ Make a page of resources ○ Write a section on what plants need to grow ○ Draw a picture of the bean in a pot of soil and label each item ○ Design the Front Cover and write the title ○ Write some 'blurb' for the back cover plant Remember that your child must break each word into the smallest unit of sound and should then write those sounds independently. The exception is the 'tricky words'! ● Using the letters from the word 'beanstalk', how many different words can you make?

Learning Project - to be done throughout the week

- **Get Creative**
 - Find some of the objects from the story
 - Retell the story using the objects

- **Odd one out**
 - Sorting seeds. Choose your own criteria for sorting. It might be by colour, shape or size. You might choose 2 sets of criteria
 - Which ones are left? Why?

- **Taller or shorter?**
 - Build a tower of 17 bricks and find plants which are shorter or taller than your tower.
 - Record and write the height of the plant

- **Be a superhero. Save our planet!**
 - Create your own compost bin using a cardboard box filled with leaves and waste.
 - Check it and see what happens. REMEMBER TO WASH YOUR HANDS!
 - Listen to the podcast <https://www.bbc.co.uk/cbeebies/radio/radio-mr-bloom-compost>

- **Explore how to make your own plant pot.**
 - Watch <https://www.bbc.co.uk/cbeebies/makes/plant-pots>
 - Have a go!

- **Dingle Dangle Scarecrow**
 - Encourage your child to sing the song <https://www.youtube.com/watch?v=Cttjr9pWr0o>

- **Art sculpture**
 - Make stick people using outdoor materials/ SCARECROWS Use an old wooden spoon or some sticks fastened together. Wrap wool or any other scrap material around the frame.

- **Create a reading den outside using blankets and cushions covered with sheets or tarpaulin. Have a selection of fiction and non-fiction books available.**

- **Let's Move**
 - <https://www.youtube.com/watch?v=cZeM18fPbvI>
 - <https://www.bbc.co.uk/programmes/p052fxz6> The Enormous Turnip story Part 1

- **Meditation**
 - <https://www.youtube.com/watch?v=fTzXFPh6CPI>

Additional learning resources parents may wish to engage with

Please refer to the 'Online Learning Resources' document on the home learning page, for additional activity ideas; these are split by topic / area of interest.

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
