

Literacy

"I can't read or write yet but if I keep practising I will and then I can write cards and read to my mummy and daddy."

PD- PE

"I run really fast and if I keep practising I will get better and I will score lots of goals."

Maths

I know lots of numbers and can count to 100. I want to get even better and count to 1 000 000."

UOW-Science

"Anyone can be an inventor. I made arm shields so I could save everyone!"

RE

"I like learning about God. My mummy talks about God. It's important."

PSED

"I made paint the same as my hand. We were all different colours. I made a card for my friend. I could make cards for everyone."

UOW-History

"I can ride a bike now but I couldn't when I was a baby. I might drive a car or ride a horse when I'm older."

Year EYFS The Impact of Our Curriculum

Our Vision
At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1 Corinthians 13:7)

UOW-Geography

"I made a trail around the playground, everyone could use it and no one fell in the lava. It meant we were safe."

EAD-Music

"The music was happy and made me want to dance. I'd like to go there. (Mexico- Day of the Dead)"

EAD-DT

"I made a tunnel. I've been through a tunnel. I could make one to take me home."

EAD-Art

"If you mix the colours you make new colours and red and yellow make orange, then you can make paint and make new wrapping paper for presents"
