

St Andrew's CE Primary School

EYFS Newsletter

It has been great spending time getting to know our new children and families. Thank you for your support, encouraging the children to be independent and coming through the gate alone. We know that it's a challenge for everyone! Already the children are changing their own shoes and organising their belongings, as well as changing for PE and of course, lining up and practising fire drills.

We have been reading stories around the theme of starting school and how to deal with our emotions. We have spent lots of time exploring the different areas of provision in and outside the classroom.

Reminder

Please label clothing. We have a set of PE shorts, a white top, jumper and book bag.

Dates for your diary

READING – How to support your child

Thursday 3rd October at 9.00-9.30 in RED ADMIRAL CLASS
