Topic Learning Projects – to be done throughout the week.

Geography

Italy: Find out about [Italy](#) – the landscape, the language, the customs and traditions. Complete an information poster displaying what you have discovered.

Art:

Leonardo da Vinci: Find out about this amazing [artist](#) who was also a sculptor, an architect, a poet, a composer, a scientist, a mathematician and an inventor! Complete a fact file about him.

Science:

Forces:

Forces are just pushes and pulls in a particular direction.

Forces are shown by arrows in diagrams. The direction of the arrow shows the direction in which the force is acting. The bigger the arrow, the bigger the force.

Balanced forces

If two forces are balanced, it means the forces are the same size but are acting in opposite directions.

If two balanced forces are acting on an object, that object will not change its motion. If it is still, the object will stay still or if it is moving, it will continue moving in the same direction and at the same speed.

Unbalanced forces

When two forces acting on an object are not equal in size, we say that they are unbalanced forces. Unbalanced forces do change the way something is moving.

They can make objects start to move, speed up, slow down or change direction. Look at the clips on BBC [Bitesize](#) and try the quiz!

Music

Listen to the songs from Disney's Pinocchio. Write an appraisal of your favourite song. You can find the list of songs [here](#), and listen to them online.

RE

Hinduism. Use BBC [Bitesize](#) to find out about Hinduism. Can you explain different ways Hindus show their commitment to God? Create a leaflet to display what you have discovered.

PE

Joe Wicks continues with a range of different child friendly keep fit videos online. Try and complete one each day.

Cosmic yoga is a great resource to use that is based around storytelling, yoga and mindfulness meditations.

Rounders: Increase your accuracy in throwing and catching. Can you become an excellent bowler and fielder?

PSHE:

Follow similar activities to the ones in school by using the Coram Life ([SCARF](#)) website. Choose a couple of activities to explore:

- Celebrating difference - in the family and beyond
- Kindness and the difference it can make to everyone
- Influence and pressure of social media

Collective Worship:

- The [Open the Book](#) team have made some special Collective Worships. Why don't you watch one and discuss with your family?

Additional learning activities you may wish to try:

Oak Academy Daily lessons

Everyday 'Oak Academy' releases daily Year 6 lessons, including quizzes, videos and worksheets. These are perfect for Home-Learning. Click the link [HERE](#) to see what lessons are scheduled today. All the lessons will be similar to the pitch and themes to the lessons we are teaching at school. They include all the subjects of the Year 6 curriculum.
