

Literacy

I wrote a newspaper report about a new Pokémon I invented after learning about newspapers.

I used my new persuasion skills to convince my parents to play a game with me!

I wrote my own playscript for a Christmas story!

PE

I now use the warmups I learnt in PE before my tennis sessions.

The new stretches we've been doing in PE have helped me to do a front flip on the trampoline!

Practicing my throwing skills in PE has helped me develop my throw ins in football training.

Maths

We were playing a game at home, and we needed to solve a maths problem. I used my times tables knowledge to help us!

When we go shopping my mum gives me some pocket money. I can work out how much change I will get from different items.

Science

When the audiologist came into school, she said not to use cotton buds in our ears. I told my family and we've stopped using them.

If my parents ever need to repair an electrical circuit at home, I can help them now!

RE

My nan is Sikh. I taught her about Buddhism, and we had a chat about the similarities & differences between the two religions.

MFL (Spanish)

My older brother helped me ask in Spanish "please may I have a drink?" because I forgot the word 'drink' but he remembered it.

I knew the word 'naranja' meant orange so I could ask for a 'fanta naranja' on holiday!

The Impact of Our Curriculum Year 4

At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1 Corinthians 13:7) Protect, Trust, Hope and Persevere.

History

I told my parents so many facts about the Tudors that they had to research them to check I was right!

I asked my parents to read a Tudor book to me at bedtime.

I now watch horrible histories every morning!

I'm going to tell my younger cousins everything about the Tudor's so they're ready for Year 4!

Computing

I made a PowerPoint about the Tudors at home to present to my Granny & Grandad about what I'd learnt!

Geography

When I spoke to my Greek cousins, I told them all about some facts I had learnt about Greece.

Music

I taught my family some notes on the guitar.

I sang the Calypso Carol for my family at home after the carol service.

DI

I tried to make a light up picture with a circuit at home!

Art

I used what I learnt in art about drawing portraits to teach my brother because he thinks he's not very good. He's now improved at drawing portraits!

When we did landscapes in school I went home and painted a landscape picture to give to my mum.
