

Literacy

"When we were writing fantasy setting descriptions, I went home and wrote a story about a picture I saw at home."

PE

"I enjoyed my PE lesson on netball so I've decided to join Mr. Clarke's netball club next term."

"After playing rounders at school, I asked my neighbours if they wanted to play a game after school."

Maths

"I made my own fraction wall at home and used it to help me with my homework!"

"When I baked a cake for my family, I fractioned it into slices, so everyone had a piece."

Science

"When I saw the bubble experiment in the science workshop, I decided to do my own experiment in class and go home and show my mum."

"My pupil-led investigation didn't work as well as hoped at school, so I re-conducted the experiment at home to collect more reliable results."

"I explained to my family what the bread and the wine represented after what we learnt in RE and Open the Book."

RE

MFL (Spanish)

"I asked my mum what her favourite food and drinks are (in Spanish)."

"When I learn things, I always go home and tell my mum to help me remember them."

The Impact of Our Curriculum Year __

At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1 Corinthians 13:7) Protect, Trust, Hope and Persevere.

History

"I wrote an Anglo-Saxon myth at home in the style of a playscript - my dog played the sea monster!"

"I sketched a picture of a Viking warrior going to battle."

Computing

"At home I made an Anglo-Saxon and Viking village on Minecraft using what we'd learnt about settler & trading villages at school."

Geography

"When travelling to different places in the UK, I now recognise different place names from the Anglo-Saxon times and tell my family their original meaning."

"When I visit my cousins in Norway, I'm going to tell them all about the Vikings and how they are from Scandinavia like them!"

Music

"Learning a pop song on the glockenspiel has made me want to learn more songs on my flute and piano."

DI

"I decided to bake a cake at home because we are making biscuits and I wanted to see what else I could bake."

Art

"On holiday I asked Mum if we could visit some art galleries like the one from the art competition. When we were looking around, I recognised different pop art pieces and compared them to the ones we created."

"On our playdate, we made our own Viking longboats out of cardboard and decorated shields on the sides like we did in class."
