

Literacy

'I like to write my own stories at home so I have a bigger vocabulary that I can use.

PE

I do different sports that makes me stronger and healthier.

Maths

I want to help my dad with his work - I will now be able to use my knowledge of fractions to work out different

Science

I can look at any animal and know how to classify it into the correct group. I will be able to understand the Latin names on the signs at zoos!

RE

I understand other people's religions and their points of view.

MFL (Spanish)

I go to Spain every year and I use my increased knowledge of Spanish to try and speak to the locals. It is useful if I work with someone who only speaks Spanish.

The Impact of Our Curriculum Year 6

At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1 Corinthians 13:7) Protect, Trust, Hope and Persevere.

History

I have been to Stonehenge and managed to tell my parents about the altar stone and how important it is. I would love to be an archaeologist when I grow up.

Computing

I use computers for emailing my friends. I want to go into business when I'm older and I know how to use excel spreadsheets.

Geography

I want to be a famous mountain climber and one day scale Mt Everest, Mt Fuji. I hope to climb

Music

I find it soothing and inspiring. I have started up a band after school with my friends.

DI

I would love to spend a night in the woods in a shelter I built all by myself.

Art

I love drawing at home and my skills are better now. I can use different techniques that I have learned at school. I want to become a famous illustrator.
