

Literacy

I want to join the Government and it helps me to write a persuasive speech

PE

Exercise helps me stay healthy and keep fit and strong.

Maths

It will help me become a games designer when I am older

Science

Learning about different experiments helps me understand what to do if I want to find out something

RE

Learning about different countries and religions to help me understand when I visit

MFL (Spanish)

It helps me when I go on holiday to Spain as I can speak to the people that live there

The Impact of Our Curriculum Year __

At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1 Corinthians 13:7) Protect, Trust, Hope and Persevere.

History

Learning about things that happened in the past helps us to make sure we don't make the same mistakes

Geography

Helps me to read maps and work out where I am in order to get home

Music

Music helps me as I am part of a band

Computing

It means that I don't just practice writing but also how to use technology that we might use when we are older

DT

I want to be a designer when I am older so it teaches me the skills I need

Art

Art has taught me patience and that I might not always get it right the first time but to keep trying
