

Literacy

In Literacy, I've been working hard with my mum about where to use certain punctuation like commas.

PE

Because of the games we've played in PE. I've joined in more at break and lunch.

Maths

Because of my maths lessons, I've been talking to my dad about percentages and fractions.

Science

I recreated the same practical that we did in lesson at home to show my mum and brother.

RE

I've been sharing my ideas about Jesus' crucifixion at home and why this happened.

MFL (Spanish)

In Spanish we have been learning about parts of the body! I've shared this at home with my little brother.

The Impact of Our Curriculum Year 5

At St Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all we do and each one is a facet of the central value, love, which 'always protects, always trusts, always hopes, always perseveres.' (1 Corinthians 13:7) Protect, Trust, Hope and Persevere.

History

As we learnt on our trip to the Chiltern air museum, I've been able to build on my rag rug.

Computing

I've created my own SWAY based on Fairtrade at home!

Geography

I've been with my parents to Victorian museums and explored how things would have been in

Music

At home, I've been focusing on learning the lyrics for the production.

DI

Building bridges was fun! I was able to pick recycled materials that I thought would make a strong bridge and my family helped.

Art

I was able to show my parents the work we had all completed for the art show, I also spoke about who William Morris was.
