### **International Policy**

This Policy reflects St. Andrew's Church of England Primary School's Christian ethos and mission statement. It was written with our Christian values of Peace, Friendship and Compassion in mind.

#### **Rationale**

Through the inclusion of an international focus in St Andrew's C of E Primary School, we are able to offer to our children, a range of experiences that will enhance their learning and raise awareness of their national and international identity.

#### **Purposes**

- To provide an informed awareness of countries, cultures and languages other than our own
- To encourage greater involvement in environmental issues
- To develop curiosity about other cultures
- To enable children, staff and governors to experience daily life in other countries
- To promote the use of ICT in meaningful contexts for the development of communication skills
- To provide an added opportunity for the promotion of equal opportunities, racial equality and Citizenship within the ethos of Christian values of our school

#### **Guidelines**

By having an international dimension as part of our ethos, we can provide children and staff with a wider variety of experiences both within, and in addition to the National Curriculum:

- develop links with schools in other countries
- welcome to our school teachers and pupils from other countries
- raise awareness of environment issues other than those in our locality through joint projects
- encourage interest and motivation through the provision of first hand experiences of life in another country
- promote communication through writing letters and emails to friends abroad
- provide staff with opportunities to compare different teaching and learning styles
- raise awareness and appreciation of other environments and what is happening in the world
- develop cross-curricular activities with an international theme for all children
