

ST ANDREW'S CE PRIMARY SCHOOL

Lock Down Policy and Procedures

This Policy reflects St. Andrew's Church of England Primary School's Christian ethos and mission statement. It was written with our Christian values of Responsibility and Perseverance in mind.

St Andrew's CE Primary School is a caring, supportive and innovative school where everyone is recognised and appreciated as an individual. Children are encouraged to be ambitious and to reach their full potential, so that they can take their place in their community and in the wider world.

Rationale

As part of our Health and Safety policies and procedures the school has a Lock Down Policy. On very rare occasions it may be necessary to seal off the school so that it cannot be entered from the outside. This will ensure that pupils, staff and visitors are safe in situations where there is a hazard in the school grounds or outside the school in the near vicinity. A lockdown is implemented when there are serious security risks for the premises due to, for example, near-by chemical spillage, proximity of dangerous dogs, serious weather conditions or attempted access by unauthorised persons intent in causing harm/damage.

Notification of Lockdown

Staff will be notified that lock down procedures are to take place immediately on hearing X5 10 second bursts of the school bell.

Procedures - Follow the CLOSE procedure:

- Close all windows and doors
- Lock up
- Out of sight and minimise movement
- Stay silent and avoid drawing attention
- Endure.

Be aware you may be in lock down for some time:

1. The above signal will activate a process of children being ushered into the school building as quickly as possible and the locking of the school's classrooms offices, connecting doors and all outside doors/ shutters where it is possible to remain safe.
2. At the given signal, the children remain in the room they are in and the staff will ensure the windows and doors are closed/locked and screened where possible and children are positioned way

from possible sightlines from external windows/doors. Lights, Smart boards and computer monitors to be turned off. Mobile phones are put on silent mode.

3. Children or staff not in class for any reason will proceed to the nearest occupied classroom and remain with that class and class teacher e.g. children using toilets when lockdown procedure is engaged.

4. If practicable staff should notify the front pastoral/ reception by phone that they have entered lock down and identify those children not accounted for.

NO ONE SHOULD MOVE ABOUT THE SCHOOL

1. Staff to support children in keeping calm and quiet.

2. Staff to remain in lock down positions until informed by key staff e.g. Senior Management Team, Chair of Governors or Office Staff in person that there is an all clear.

3. As soon as possible after the lock down teachers return to their classrooms and conduct a register and notify the reception immediately of any pupils not accounted for. Staff should use the nearest school or mobile phone in this emergency situation.

Staff Roles

1. Head or site supervisors lock the school's front doors and entrances.

2. School administrator to ensure that the office is locked and police called if necessary.

3. Individual teachers/ TAs lock/close classroom door(s) and windows. Nearest adult to check exit doors.

Communication with parents

If necessary parents will be notified as soon as it is practical to do so via the school's established communication network - text Parents will be told: 'the school is in a full lockdown situation. During this period the switchboard and entrances will be unmanned, external doors locked and nobody allowed in or out...' Depending on the type and severity of the incident, parents may be asked NOT to collect their children from school as it may put them and their child at risk. Pupils will not be released to parents during a lock down. Parents will be asked not to call school as this may tie up emergency lines. If the end of the day is extended due to the lock down, parents will be notified and will receive information about the time and place pupils can be picked up from office staff or emergency services. A letter to parents will be sent home on the nearest possible day following any serious incident to inform parents of context of lockdown and to encourage parents to reinforce with their children the importance of following procedures in these very rare circumstances.

LOCK DOWN DRILLS

Lock down practices will take place at least once a year to ensure everyone knows exactly what to do in such a situation. Monitoring of practices will take place and staff debriefed for positive reinforcement or to identify required improvements.

Review - This policy and procedures will be reviewed annually as a part of the School's Health and Safety procedures.
