

St. Andrew's C.E. Primary School Newsletter

Monday 8th February 2021

Dear Parents and Carers,

Tuesday 9th February is Safer Internet Day. It seems more important than ever to celebrate this special day. Each year Safer Internet Day aims to raise awareness of emerging online issues, with a topic reflecting the current concerns. This year the theme is: *'An internet we trust: Exploring reliability in the online world'*. The teachers are setting 2dos for the children on Purple Mash this week linked to Safer Internet Day and there will also be an assembly

available on a PowerPoint to watch for EYFS/KS1 and KS2 children. We look forward to seeing all your different work.

Make sure you have sent in your Positivity Project message by today- 'Kindness costs nothing but means everything'

Lockdown is preventing us from seeing your smiley faces every day and may be making us feel a bit glum. The Positivity Project would like to change that! Across the school we would like pupils and staff to create their own 'Messages of Kindness' to brighten someone's day. These

may be in the form of a picture, poem or an inspirational message. Anything suitable to make someone smile! They may be drawn and photographed or completed on the computer. All we ask is that you make them as bright and colourful as possible! Once you have created your message of kindness, please email it to Miss Revill via Purple Mash by Monday 8th February (extended). You will then receive a message of kindness that someone else has created to put a smile on your face, whilst having the pride knowing you have put a smile on someone else's. Thank you to Miss Blandford and Miss Revill for leading with this project.

Half term is fast approaching. **Please note that school is closed w/c 15th February and there will be no provision for key worker and vulnerable children that week. Also, Monday 22nd February is an INSET day** for all children including key worker/vulnerable children. As soon as we have confirmation regarding the date children are able to return to school we will communicate a plan to you.

Thank you for your continued support.

Annette Mashru – Headteacher
