

St. Andrew's C.E. Primary School Newsletter

Friday 23rd October 2020

Please find below a few updates and reminders.

Building developments

The builders have really made progress and it is hoped the new build for 2 extra classrooms will be ready by April 2021. Over half term some work will be completed on the EYFS cloakrooms which will be finalised over Christmas.

General information

To support the children playing outside in their bubbles we have purchased a PE bag of activities for each year group. We hope the children enjoy them.

Alongside this we have also invested in new reading books for KS2 to follow on from the EYFS/KS1 scheme.

Website and Twitter

Miss Revill is working on the website and we are hoping to launch a St Andrew's Twitter account next term. We thought it would help us to share what we are doing in school, as under current restrictions we are unable to invite parents in.

Polite reminders:

Uniform

This is a reminder that children should wear their school PE kit to school on PE days and after school sports club days. They should not wear labelled hoodies and no non-uniform clothing please. Children will also need coats and indoor shoes every day. Please ensure your child has the correct equipment and uniform daily.

Fruit

Free fruit is available for all children in EYFS and KS1.

Scooters and bikes

For health and safety reasons scooters, bikes etc should not be ridden on the school site by preschool children, pupils or adults.

Thank you for your continued support. I wish you and you families a restful and safe half term.
Annette Mashru – **Headteacher**
