

# St. Andrew's C.E. Primary School Newsletter

Monday 14<sup>th</sup> December 2020

The St Andrew's tree in the churchyard looked wonderful with its 'Alice in Wonderland' theme. The hats, teapots, drink-me bottles and cards came from classes across the school. Copper class really enjoyed their visit.

It was very Christmassy and festive in year 2 last

week. They were busy rehearsing their nativity play and familiarising themselves with the story by writing their own books on the big event. In DT the children have been designing pop up Christmas cards ready to send to their loved ones. The wintery theme continues in Literacy, where they focused on 'The Snowman by Raymond Briggs'. The best bit was when the children generated their own ideas for a story about a snowman who comes to life and the many adventures he goes on.

In Swallowtail class the children have been engrossed helping Santa in his workshop carefully wrapping presents for all the children around the world.

I am delighted the star has been found. By Friday, I thought we were going to have to invest in a new one. How kind it was of Mrs Rolfe to take it and add more glitter. The children had so much fun writing, investigating and especially accusing the suspects. Thank you to Miss Blandford, Miss Morgan and Mr Manning for making it such a wow week of writing.

See the school website for a full sequence of events...

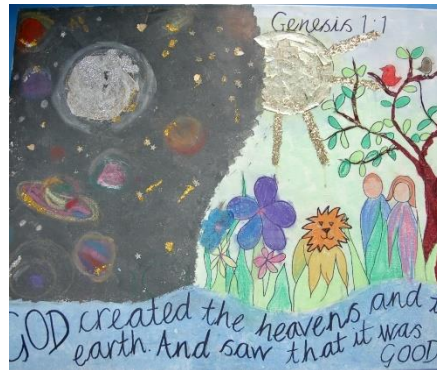

Mrs Collier, Year 1 teacher, has had a little boy 06.12.20 8lb 1oz.  
Mummy and Jasper are happy and doing very well

As part of the RE curriculum we use a resource called 'Understanding Christianity' to facilitate the children in their understanding of the key concepts surrounding the Christian faith. Each year group was given a key concept to explore and represent creatively. Each canvas represents a key concept through the eyes of the children.

God – Foundation Stage

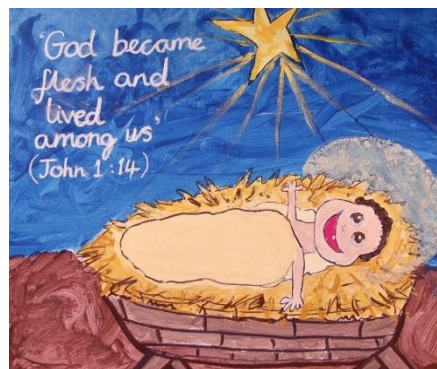

Creation – Year 1

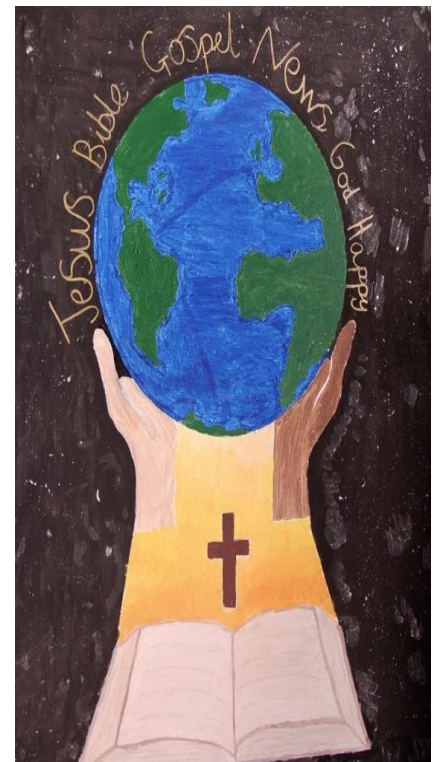

Fall -Year 2

People of God -Year 3

Incarnation -Year 4

Gospel – Year 5

Salvation – Year 6

Kingdom of God – Copper Class

These are now proudly displayed in Manser Hall – we hope it won't be long until you are able to see them for yourselves. Thank you to Miss Stott for organising this opportunity for the whole school.

**Wishing all of our families a very Merry Christmas!**
