

Evidencing the Impact of the Primary PE and Sport Premium expenditure for Academic Year 2019/20

Key achievements to date	Areas for further improvement and baseline evidence of need:
Covid restrictions have meant that St Andrew's have not be able to deliver the full plan of the PE and Sport Premium. Funds will be carried forward to the next academic year to continue to support the programs.	Further development to the KS1 outdoor learning environment is required. Continued development of a second Forest School area.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	Covid restrictions did not allow the school to assess the Year 6 cohort in 2020
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	Covid restrictions did not allow the school to assess the Year 6 cohort in 2020
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Covid restrictions did not allow the school to assess the Year 6 cohort in 2020
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Covid restrictions did not allow the school to offer any swimming provision in the 2019/20 academic year

*Schools may wish to provide this information in April, just before the publication deadline.
